Inauguration of the Co-Cathedral of St Mary of the Isle, 3 November 2023.  
Archbishop Malcolm McMahon OP is installed in Douglas, Isle of Man,  
by HE Archbishop Miguel Maury Buendía, Apostolic Nuncio.

## FOREWORD

When reflecting back on 2023, two particular highlights stand out for me – the centenary pilgrimage to Lourdes and the inauguration of our new co-cathedral, among lots of other events.

In March, Bishop Tom Williams retired as the Auxiliary Bishop of Liverpool upon reaching the age of 75. Bishop Tom's pastoral ministry spans more than 50 years as a priest and 20 as a bishop.

I would like to thank God for his long, dedicated ministry. Bishop Tom is very much a son of the city of Liverpool, well known and loved by many, and has made valuable contributions to the civil and ecclesial life of the city and region.

This year, we also continued to support our partner diocese in Ukraine, and we have completed two further trips to the border to deliver essential aid. To show his appreciation, Bishop Gregory Komar, to whom we delivered the aid, visited the archdiocesan office in July to personally thank those who were instrumental in the #Liverpool4Ukraine appeal.

In July, we were delighted to welcome back His Excellency Archbishop Paul Gallagher as he returned to Liverpool to be installed as an Honorary Canon of the Metropolitan Chapter of Liverpool during a Capitular Mass at the Metropolitan Cathedral. He is still very much part of the Archdiocese of Liverpool, and this honour was one way to show him that.

In the same month, over 1,500 people from the archdiocese travelled to Lourdes for the centenary pilgrimage. It was a week filled with joy, devotion and enthusiasm from our pilgrims, volunteers, medical team and young people.

We have celebrated the ordination of four transitional deacons: Peter Ross, Martin Fyles, James Finnegan and Hugh Donleavy. Hugh was ordained into the priesthood at the beginning of December. We also celebrated in July the ordination of three permanent deacons: Peter John Renwick, Justin Malewezi and Brendan Kelly-Ince.

In the same month, I attended the installation of Bishop Stephen Wright as the Bishop of Hexham and Newcastle, which ended my time as the Apostolic Administrator of the diocese, a role I had been carrying out for seven months.

In September, it was with great joy that we announced an historic moment for both the archdiocese and the Catholic Church nationally. The church of Saint Mary of the Isle in Douglas, Isle of Man, was granted cathedral status and became a co-cathedral for the archdiocese – the first Catholic co-cathedral in the British Isles. The Isle of Man is a significant part of our archdiocese, and this is something that everyone on the island will take great pride in. As you see on the cover, I officially took my seat during a special service on 3 November.

Throughout the year, the archdiocese has been reactive to situations happening in the local community. We have continued opening the doors of our 37 parish centres as warm and cosy hubs and we have expanded our offering to provide free meals to children through 'Snack away or snack & stay'.

We have also partnered with the family of Ava White to install life-saving bleed control packs into all of our parishes and parish centres, as they are often buildings that are in the hub of their communities.

I give thanks for everything that has happened during the past year, and I look forward to being guided by the Holy Spirit as we journey together into 2024.

+ Malcolm McMahon op.

# PARISHES

## General points

- Parishes are listed alphabetically according to their title, in the traditional (not deanery) order:
  - Metropolitan Cathedral
  - Liverpool parishes
  - All other parishes in order of their location (town or village or IoM)
- An index of all parishes by name appears at the back of the book.
- Separate lists of consecrated and closed churches are included – see contents list for page numbers.
- The parish number appears in the blue banner at the head of each entry. This is used in all official returns and listings.
- Where two dates are given after the title of a church, the first is usually the foundation of the parish and the second that of the existing church building.
- Baptisms and marriages are normally arranged by appointment in the parish concerned.
- The Directory includes postnominal letters denoting religious orders, Church and state decorations and appointments only; academic degrees, professional qualifications and affiliation with other organisations are not indicated.

## CLOSED CHURCHES

*With the gradual depopulation of formerly densely packed inner urban areas, a number of parishes have been closed. Some parishes had earlier churches on different sites. Other parishes had changes made in their dedication. Some churches were built as chapels-of-ease and never became parishes in their own right. Other churches are now merged into a neighbouring parish. Sacramental registers of closed churches are normally located in the neighbouring church identified below.*

## OBITUARIES

**Father David Melly (1946–2023)**

David John Melly, the son of John and Mary Melly (née O'Callaghan), was born in Mullingar, Co Westmeath, on 20 February 1946. He received his early education at Rochestown College, Cork, before going on to study classics at University College, Cork. He entered the novitiate of the Capuchins at Cork and took the name Brother Thaddeus. After his initial formation, he came to the then Christ's College, Liverpool, for teacher training, and afterwards briefly held a teaching post at St George's Primary School, Maghull. Very early in his teaching career, he applied to the archdiocese to continue his studies for the priesthood, and he completed his formation at Upholland College. He was ordained priest at Christ's College, Liverpool, on 8 February 1975.

Following ordination, he served as assistant priest at Holy Name, Fazakerley, from April 1975 until October 1978. It was then decided that more use should be made of his educational background. Thus, he embarked on a course at the Catechetical Centre in Dundalk until the summer of 1979. That September, he was appointed to the Christian Education Centre of the archdiocese, becoming involved in catechesis and in the oversight of religious education in the Catholic schools of the archdiocese. For the next twelve years this was his principal work, though he did assist in the various parishes in which he was resident: Christ the King, Liverpool (1979-80); St Mary, Lowe House, St Helens (1980-81); St Agnes, Huyton (1981-86) and Ss Peter and Paul, Crosby (1986-91).

He was renowned for his wonderful creativity, and his cheerful and positive disposition, both in his work for the Christian Education Department and in the parishes he served. In January 1991, he was asked by Archbishop Worlock to take up the office of parish priest at St Leo, Whiston, in addition to his duties within the Christian Education Department. He returned, in January 1996, to St Agnes, Huyton, now as parish priest. After nearly four years, he moved on to Our Lady, Help of Christians, Portico, in November 1999. He continued at Portico as parish priest for the remainder of his life, dearly loved by his parishioners in a place where he felt very much at home.

In his spare time, he loved to walk in the countryside, especially the Lake District and the Peak District. The last few years of his life were, therefore, a great trial to him as his mobility was severely restricted and he was reduced to walking very slowly around a local park. Sadly, he had also to relinquish his duties in the Education Department, but he remained enormously proud of his forty years' service to Catholic education.

He died peacefully in the morning of Monday 23 January 2023. He was 76 years old and in the 48th year of his priesthood. May he rest in peace.

**Father Michael O'Dowd (1946–2023)**

Michael O'Dowd was born in Liverpool on 17 August 1946 to Patrick and Mary O'Dowd. In his family were Catherine, his sister, and Peter, his brother. Michael was baptised and made his first Communion in St Francis de Sales church, Walton. He started school there but finished his primary education in St Matthew's, Clubmoor, where he was also part of their altar boy team under the supervision of Miss Turner. When he was confirmed, he took the name Edward. Passing the scholarship, he became a pupil in St Edward's College, West Derby. After a year he enrolled in Upholland College. During the summer holidays he helped with the St Francis de Sales scout trips and later worked as an

auxiliary nurse at Newsham Hospital on the geriatric wards. His father also managed to get him a job at the Liverpool Museum helping to restore a steam engine.

Michael was ordained priest in the Metropolitan Cathedral on 5 June 1971 and celebrated his first Mass in St Aloysius' church in Roby. After ordination, Michael was sent to Rome for two years for further study, with an extra two years in St John's College, Oxford.

In September 1975, Michael joined the formation staff at Ushaw College, Durham, to teach moral theology. He was also assistant procurator, which meant that he chose and bought the wine for college feasts. He had further periods of study in the 1980s in Rome, Birmingham and San Francisco. He was a member of the Association of Teachers of Moral Theology and was their long-time secretary. He served as a medical ethics adviser/consultant to a couple of hospital trusts. During college holidays, Michael supplied in different parishes in the North-East and in the Cotswolds.

In 1993, after 18 years' teaching in the seminary, Michael took up a new appointment as parish priest of St Agnes, Eccleston, Chorley. In October 1997, Archbishop Patrick Kelly asked him to take on the role of episcopal vicar for education, a role he held until August 2019. With this post he became a member of the Archbishop's Council and a trustee of the archdiocese. Later on, the archbishop asked him to represent the archdiocese in the Apostleship of the Sea, and this he did for many years. He was also a member of the board of governors at Liverpool Hope University for a number of years.

In 2021, Michael celebrated 50 years as a priest. It was just six months before he died that Michael submitted his resignation as parish priest due to his declining health, though he remained in the presbytery.

The last year of Michael's life was dominated by hospital appointments, various forms of treatment and worsening health. He was incredibly courageous in dealing with the effects of cancer and was very grateful for the care shown him by his GP and the staff in St Catherine's Hospice, where he spent the last month of his life. Michael died very peacefully on the afternoon of 29 March 2023 in the company of family and friends. His requiem Mass was celebrated in the large church of St Mary, Leyland. May he rest in peace.

### Father Vincent McShane (1963–2023)

Vincent James McShane, one of eight children of Vincent Henry and Mary Teresa McShane (née O'Brien), was born in Liverpool on 7 January 1963. The family lived firstly at Blenheim Street and then at Mile End, Scotland Road. His early education was at St Anthony's infant and junior schools.

In 1974, he entered the junior seminary at St Michael's College, Underley Hall, in Kirby Lonsdale. This was at a time of considerable upheaval, when the reorganisation of seminary provision in the Northern Province was taking place. He thus transferred to the junior seminary at St Joseph's College, Upholland, in 1975, where he remained until he had completed the sixth form. He entered the senior seminary at St Cuthbert's College, Ushaw, Durham in 1981, and there completed his studies for the priesthood. During his seminary formation, he had various pastoral placements, including Durham and Frankland prisons, and the parish of St Joseph, Ryhope, in the Diocese of Hexham and Newcastle. Within the archdiocese he had placements at St Patrick, Wigan, and then at St Luke, Whiston. He was ordained priest by Archbishop Derek Worlock on 26 July 1987 at St Anthony, Scotland Road, Liverpool.

Following ordination, he had two appointments as a curate: St Joseph, Penketh (1987) and St Aidan, Huyton (April 1991). In January 1993, he became priest-in-charge at St Aidan's before moving to his first appointment as parish priest at St Joseph, Kirkby (April 1996). After seven

years, he was appointed parish priest of Holy Family, Halewood, and priest-in-charge of St Gregory, Netherley. Soon afterwards, the deanery was amalgamated with the neighbouring deanery, as the archdiocese had begun the 'Leaving Safe Harbours' project. The parish of St Gregory became part of the Childwall Valley parish. Fr Vin, as well as remaining the parish priest of Holy Family, was asked to take on the additional responsibility of being priest-in-charge of the parishes of St Andrew the Apostle, Hunts Cross, and St Mark's, Halewood. These three parishes were eventually amalgamated into the new parish of St John Vianney in January 2006, with Fr Vin as the first parish priest.

His final appointment was as parish priest at Holy Rosary, Old Roan, in September 2016. It was during this period that he began to experience significantly diminished mobility as a result of a foot amputation in 2003 and the effects of acute kidney injury – a result of treatment for osteomyelitis. He retired from active parish ministry in October 2018, but continued to minister as a priest, supplying in various parishes as needed.

Throughout his life, Fr Vin had a great love for Lourdes. His first visit, as a brancardier, was in 1977. He made a pilgrimage every year after with the archdiocesan Lourdes Pilgrimage Association in various roles, as a member of the Hospitalité, as a chaplain to the assisted pilgrims, as a trustee and as a member of the executive committee. He also led various parish groups during those years. He always encouraged people he met to try and make a pilgrimage to Lourdes. In later years, he travelled as an assisted pilgrim himself, accompanied by his friend, Ian.

He died on 4 April 2023 and his requiem Mass was celebrated at Our Lady Queen of Martyrs, Croxteth. May he rest in peace.

**Canon Brendan Alger (1935–2023)**

Brendan Joseph Patrick Alger was born in Liverpool on 23 November 1935, the eldest of three sons born to Frederick and Kathleen Alger. When he was just four years old, Brendan's father was killed by a plane during the Blitz, leaving his mother to bring up three young boys on her own. From this time on, the Church and parish life became an increasingly important part of his own life. After attending St Matthew's School, Clubmoor, he moved to St Edward's College, Liverpool, for three years. Then, aged fifteen, he entered the seminary at St Joseph's College, Upholland, where he remained until his ordination by Archbishop Heenan on 9 June 1961, the feast of the Sacred Heart

of Jesus. Unusually for the era, he was not ordained in the seminary chapel, but rather at Cardinal Allen School, West Derby, Liverpool.

The young Fr Alger was not given a parochial appointment, but sent immediately to St Edmund's House, Cambridge, where he spent the next five years preparing for life on the teaching staff back at Upholland. During his time in Cambridge, he obtained an MA in history and theology through Downing College, and the interests he cultivated here served him well in later life when he became the first chairman of the Historic Churches Committee for the North-West from 1997-2010. Following a postgraduate teaching certificate, which included a term at St Kevin's Comprehensive School in Kirkby, Fr Alger taught in the junior seminary at Upholland from 1966-75, before spending his final year at the college as librarian of the fledgling Upholland Northern Institute. In the summer of 1976, he moved to Liverpool, where he served firstly as chaplain and lecturer at Notre Dame College, Mount Pleasant (1976-79), before taking on the chaplaincy of the University of Liverpool (1979-82). He once remarked that, 'You usually go straight into being a full-time priest, but it was 21 years before I got into parish life.'

In 1982, he finally received his first parochial appointment as parish priest at St Joseph's, Leigh. This presented personal, as well as pastoral, challenges. At a personal level he needed to adjust quickly to parish life after more than two decades in educational establishments, and at a pastoral level he needed to respond to the economic challenges facing the of Leigh in the early 1980s. He reflected that, 'They were very difficult times in Lancashire then – the cotton mills had closed

down and the mines were closing down, so we were able to run work schemes and help young people into their first jobs in collaboration with the government.' Despite all the challenges, he was still able to say, 'I enjoyed parish life very much; after all it's what I was ordained for.' It was during his tenure at Leigh that he celebrated the silver jubilee of his ordination to the priesthood, and later that same year he was appointed as an honorary canon of the Metropolitan Cathedral Chapter.

After seven years in Leigh, Canon Alger was asked by Archbishop Worlock to accept appointment as parish priest of St Mary of the Isle, Douglas, and dean of the island. As he saw it, he arrived on the island at a time of profound change. 'It was the end of the big holiday seasons, there were no people, they were flying to America or Europe and having holidays there, there was a decline. On the other hand, it was the beginning of the business boom, so it was also a time of growth.' With the assistance of a succession of curates he was able to cope with the increased responsibility of being parish priest of several other parishes: Sacred Heart, Pulrose; St Joseph, Willaston; and St Anthony, Onchan. His position as dean of the island meant that he was called upon to represent the Catholic community in its engagement with civic life and in the ceremonies of Tynwald. He came to love the island, with its rich history and culture, and its people, so it was not surprising that in retirement he chose to remain there, settling at King Edward Park, Onchan. He continued to assist in parishes on the island until his health deteriorated significantly, especially after his diagnosis with terminal cancer, news that he received with a calm dignity. He died peacefully at home, around midday on Monday 26 June 2023, aged 87 years and in the 63rd year of the priesthood. May he rest in peace.

### **Father John Harris (1940–2023)**

John Francis Prest Harris was born in Lincoln on 15 March 1940 to John and Yvonne Harris. He was educated at the Catholic College in Preston before transferring to Upholland College to begin his training for the priesthood. On completion of his seminary formation, he was ordained priest at the Metropolitan Cathedral of Christ the King, Liverpool, on 27 May 1972.

Following ordination, he was appointed as assistant priest to Father Brady at Our Lady of Mount Carmel, Liverpool. In June 1978, he was moved to St Andrew, Hunts Cross, to become assistant to Father Cronin and to be chaplain at St Andrew's High School, Halewood. In

March 1983, he moved to All Saints, Anfield, to assist Monsignor Doran.

Father Harris received just one appointment as parish priest. In November 1990, he was asked to succeed Father Terry Dooley at Holy Spirit, Ford. He proved himself to be a kind, gentle and zealous pastor there, serving his parishioners faithfully until his retirement to Formby in August 2021.

For many years, Father Harris was closely associated with the Guild of St Stephen, the organisation that exists to promote the highest standards of serving in the liturgy through the practical and spiritual formation of altar servers. He served as director of the guild from its inception in the archdiocese in August 1987 until his retirement in 2021. May he rest in peace.

### Father Nicholas Wilde (1951–2023)

Nicholas Wilde was born in Huyton on 18 September 1951, the second of four children of Nicholas and Margaret Wilde. He received his early education at St Aidan's School, Huyton, before going on to the junior seminary at Christleton Hall, Chester. Archbishop Beck then sent him to the English College, Lisbon, to continue his formation for the priesthood. He was among the last group of seminarians when the college closed in the early 1970s. From Lisbon he returned to the archdiocese to complete his formation at Upholland College. He may have been small of stature, but he was a fierce competitor in any sport, especially on the football field. Not many got past his dogged defence! Friendships forged during these student days were to last a lifetime.

He was ordained to the priesthood at the Metropolitan Cathedral, Liverpool, on 10 May 1975. Following ordination, he served as assistant priest at St Oswald's, Old Swan, from August 1975 until April 1980. There he quickly gathered around himself a group of young adults, many of whom became teachers and young professionals. He was then transferred to St Luke's, Whiston, where for the next seven years he combined parish ministry with duties as a chaplain in the nearby Whiston Hospital and the local secondary school. His personal character and skill with people, especially teachers and hospital staff, was legendary. Many of them became friends for life. In August 1987 he moved to Our Lady Queen of Martyrs, in Croxteth, where he spent just a few months before taking up his first appointment as parish priest in May the following year.

During these early years of his priesthood, Fr Nick was part of FLAME, which took children with severe disabilities, together with their parents and carers, to Lourdes every Easter. Initially there were five groups, each group made up of ten children, and each group had a team of helpers including a priest chaplain. Fr Nick was one of the pioneers of FLAME, which successfully raised thousands of pounds each year, and did so for 40 years.

Fr Nick's real strengths came to the fore when he went to Kirkby in 1988, firstly at St Laurence's and then, from September 2003, also taking on the additional responsibility of the parish of St Joseph the Worker. His pastoral approach quickly established a rapport with people of all kinds, churchgoer or not. Bishop Tom Williams, a lifelong friend, remarked that, 'My own family often preferred him to be at family funerals than me, and I did not mind either, because he always hit the right note.' Bishop Tom added, 'It's no secret that he could be somewhat controversial at times, particularly in company, but one-to-one he was a wonderful pastor and confidante.'

Ill health forced him to retire from active ministry in 2017, and he spent his remaining years in Rockmount Close, Woolton, where he died on Friday 10 November 2023. He was 72 years old and in the 49th year of his priesthood. Bishop Tom concluded, 'He will always be remembered by the many doctors, nurses, teachers he worked with, and pupils too, as a great priest and one of the people; a true blue and a good friend.' May he rest in peace.

**St. Joseph's Hospice is celebrating 50 golden years of caring for our community.**

Our founder, Father Francis O'Leary, opened the hospice in Thornton in 1974, and we have cared for thousands of families across Merseyside, Sefton and West Lancashire ever since.

All this year we are celebrating half a century of care but we are also looking to the future so that we can continue to offer end of life care services to our community for the next 50 years.

**It currently costs £10,000 a day to keep the hospice open, which is why we rely heavily on the support of our local communities, through donations, fundraising, legacies and volunteering.**

**Please help us to fund the next 50 years of care by making a donation today. Or, why not join our hospice lottery by committing to just £1 per week?**

### CAFOD

07779 804241

CAFOD is the official international aid agency of the Catholic Church in England & Wales and a member of Caritas Internationalis. Our mission is to work alongside the world's poorest people. We believe our Catholic values are best shown through our love for others, and by working for justice and an end to poverty, enabling local people to create a sustainable future for themselves and advocating to change the structures which can make this difficult.

As part of Caritas Internationalis, the second largest social action network on the planet with a local presence in 165 countries and territories, we enable members of the Church in the archdiocese to reach out to their sisters and brothers across the world to wherever the Church is to be found, to help the poorest people in the remotest areas, war zones and places where structures need the greatest support. Across the archdiocese, together with the support of the clergy and schools, our parish and school volunteers educate, encourage and inspire this support enabling people to give, act and pray to help build the Kingdom of God around the world.

## Legion of Mary

A worldwide apostolic organisation for men and women, normally parish-based. The primary work of the Legion of Mary is that of the Church, to evangelise. Active members meet weekly to pray together, learn more about the faith, and organise visits to the sick and isolated in the parish under the direction of the parish priest, all in union with Our Lady. Coming together in this way helps members to discover and deepen the joy of the Gospel message. It builds a sense of community and inspires greater confidence and enthusiasm for living and sharing the Gospel message with others. In their work, members invite others to become active in parish life, gently encourage those who have lapsed to return to the practice of their faith, and invite those outside the Church to discover the treasures of the Catholic faith. Auxiliary members support the work of the Legion of Mary by a commitment to prayer.
