## Foreword

Welcome to this new-look Diocesan Directory for 2022. Here you will find much information about the life of our wonderful Diocese of Portsmouth.

We all have so much to thank God for. COVID however made last year, 2021, a difficult year. The pandemic disrupted our usual Christian life and made a big impact on our schools and parishes. Even so, the collective ingenuity and sacrifices of clergy and laity across the Diocese kept us going. In 2022, we continue the Year of the Eucharist. So let us draw strength from Our Lord's inestimable gift of Himself to us in the Sacrament of the Altar. Let us pray that 2022 will be different and happier.

Our overall Diocesan mission remains the same: Bringing People Closer to Jesus Christ through His Church. Our priorities are to be totally dependent on God in prayer; to reach out to all with the Gospel; to deepen our own faith; and to be outward-looking servants to everyone in need. We need to focus especially on our young people, on developing vocations and on using our resources intentionally in service of the new evangelisation. Above all, to be effective missionary-disciples, we need to become more holy, that is, to become 'can-do' Catholics full of energy and full of love for the Lord.

This Directory is the fruit of much hard work. We are grateful to CathComm for their redesign and for their work of compilation. Our thanks also to all who have helped, not least to Fr. Philip Carroll who started the process, and to Fr. Leonard Odomeja and Deacon Craig Aburn, who saw it to completion.

We live in a time filled with great potential yet truly in need of the Gospel. Please pray for the intentions of all the parishes, schools, clergy, religious and lay faithful recorded in this Directory. The Directory is itself a genuine testimony to God's grace, His presence and action among us. Let us pray through the intercession of our patrons Mary Immaculate and St Edmund of Abingdon, and through Blessed Pier Giorgio Frassati, patron of our youth, that He will renew our vigour and joy.

In Corde Iesu

## **1. THE DIOCESAN CURIA OR ‘FRAMEWORK FOR COLLABORATION’**

The Diocesan Curia consists of those institutions and persons, which assist the Bishop in the governance of the diocese, especially in guiding pastoral action, in caring for administration within the overall authority of the Diocesan Trust Deed and in exercising judicial power (Can. 469). In the Diocese of Portsmouth, the Diocesan Curia is also called the ‘Framework for Collaboration.’ It comprises many teams, experts and ministers who directly assist the pastoral mission and life of the Diocese.

### **The Bishop**

The Bishop, assisted by his priests and deacons, acts sacramentally in the name of Our Lord Jesus Christ as the High Priest, Teacher and Shepherd of the Diocese, that is, that portion of the Lord’s flock entrusted to him.

### **Vicars General**

For the governance of the Diocese of Portsmouth, the Bishop has appointed two Vicars General (VG) to assist him. By virtue of their office, the VGs exercise the Bishop’s executive power throughout the Diocese, namely, the power to perform all administrative acts within and subject to the authority of the terms of reference, policies and Diocesan Operating Procedures of the Diocese and other authorities approved from time to time by the Trustees with the consent of the Bishop, except those which the Bishop has reserved to himself or which require a special mandate of the Bishop by law or which are reserved to themselves by the Trustees or expressly delegated by the Trustees to committees or officers of the Diocese or other persons with the consent of the Bishop. One VG has been appointed as the Moderator of the Curia, in order to coordinate administrative matters and to ensure that those who belong to the curia fulfil the offices entrusted to them (Can. 473 §2).

### **Episcopal Vicars**

The Bishop has appointed three Episcopal Vicars (EV), with the same ordinary power as a VG but limited to a specific pastoral competence. The EVs thus lead three Vicariates: Vocation, Education and Evangelisation. The role of Vicar for Clergy is currently exercised by one of the VGs. Because the EVs like the VGs share ordinary jurisdiction directly in the Bishop’s mission, the VGs and EVs are priests.

### **The Bishop’s Council**

The Bishop’s Council is an advisory body; it serves the Bishop. It comprises the two VGs and three EVs (can. 473 §4). The Bishop’s Secretary acts as its Secretary. A sub-committee of the Bishop’s Council (formed of the Bishop and the two VGs one of whom is the Vicar for Clergy) form the Personnel Committee, which is concerned chiefly with the welfare and deployment of the clergy, although in some cases, clergy matters are discussed in confidence with the whole Bishop’s Council.

### **The Head of Safeguarding**

The Head of Safeguarding is employed to co-ordinate safeguarding matters within the Diocese, including for those religious communities affiliated to the Diocese. The Head of Safeguarding is accountable to the Trustees of the Diocese, the Bishop and the Safeguarding Committee, providing assurance that the safeguarding functions and responsibilities are managed in accordance with the national policies and procedures and in support of the quality standards as set out by the Catholic Safeguarding Standards Agency. The Head of Safeguarding directs the business of the Safeguarding Office, managing all matters relating to concerns and allegations of abuse, and maintains active links with statutory agencies and local safeguarding partnerships

### **The Safeguarding Committee**

The Safeguarding Committee is a sub-committee of the diocesan Trustees and chaired by a nominated Trustee. The Committee comprises clergy members and independent professional people, appointed by the Trustees with the prior approval of the Bishop, to act on their behalf to oversee the implementation of the standards, procedures and guidelines of the Catholic Safeguarding Standards Agency (CSSA). The Committee membership comprises people with

specific experience and expertise in safeguarding and includes representatives from the police, safeguarding organisations, social care and the probation service. The Committee meets 6 times a year, with the Head of Safeguarding reporting to the Committee regarding strategic and operational work and performance management.

### **The Safeguarding Office**

The Safeguarding Office, under the direction of the Head of Safeguarding, is responsible for the processing of DBS checks as part of the wider safe- recruitment policy of the Catholic Church in England and Wales. It keeps a database for the diocese and also maintains information on the national database held by CSSA. It is responsible for the recruitment and training of parish representatives in the procedures they must follow when volunteers are appointed in the parish, in best practice in dealing with situations where children and vulnerable adults are present, and in what to do when concerns arise over a particular situation or person including compliance with the relevant Diocesan Operating Procedures. The Safeguarding Office co-ordinates a training programme across the Diocese and offers general support to the Head of Safeguarding.

### **The Chancery**

The Bishop appoints a Chancellor, whose task is to ensure that the acts of the curia are drawn up, dispatched and archived according to due form and process. In cases of marriage, the Chancellor by mandate of the Bishop, has powers to dispense from impediments to marriage dispensable by the Ordinary (Can 1078). He acts as a sole judge in cases concerning the impediment of ligament and in cases concerning the defect of canonical form. He can dispense from canonical form (Can 1127 n.2) and grant retroactive validation (Can 1161 & 1165). Moreover, by mandate of the Bishop, the Chancellor may grant diocesan faculties to a visiting priest, grant leave of absence, issue *celebrets*, grant faculties to receive a non-Catholic into full communion with the Church and grant priests of the diocese the faculty to administer the Sacrament of Confirmation (Can 882). The Chancellor has a further responsibility for maintaining the diocesan Foundation Mass Book, managing the Mass stipends account and distributing Masses where necessary. The Chancellor may also act as a notary for the Bishop's Office.

### **The Diocesan Tribunal**

The Bishop appoints a duly qualified Judicial Vicar to act on his behalf in all judicial and canonical matters. The work of the Diocesan Tribunal in practice is chiefly concerned with applications for a decree of nullity or dissolution of a marriage bond. A divorced party approaches the Tribunal for the investigation of their previous marriage in order to establish whether the marriage was a valid marriage and whether there is sufficient evidence to demonstrate that an essential element of marriage was absent so that a declaration of nullity can be granted.

### **The Chief Operating Officer (COO)**

The COO leads the entire business function of the Diocese in order to deliver the Bishop's Vision. The COO is accountable to the Trustees, Working closely with the Chairs of each of the Vicariates, the COO develops processes by which their respective strategies are implemented. S/he is the Oeconomus of the Diocese, line-manages the Support and Administration Services, and senior staff across the Curia. She works with the Secretary to the Trustees.

### **The Trustees**

The Diocese of Portsmouth is a Registered Charity in English and Wales under civil law. Chaired by the Bishop, the Trustees have responsibility for ensuring that the activity of the diocese complies fully with charity law and civil law in all areas, for example, administration of resources (finance and property), safeguarding and personnel issues. The Trustees are also concerned with the appropriate application of canon law and how the Diocese enacts the Church's vision. The Trustees are a balance of clergy and laity bringing a range of professional expertise and experience to the task and are appointed under the terms of the Diocesan Trust Deed and of policies adopted by the Trustees with the consent of the Bishop for the appointment and induction of Trustees. In the Diocese the Trustees also fulfil the role of the Diocesan Finance Council as required by Canon Law. Working closely with

the Bishop, the Trustees ensure that the work of the diocese complies fully with the purposes of the charity stated in its Trust Deeds. The Trustees work together as a full trustees meeting (FT), and through Vicariate Committee meetings.

### **The Secretary to the Trustees**

In civil law the Diocese is a registered charity. The Secretary to the Trustees is appointed by the Trustees to provide guidance and advice in fulfilling their responsibility of ensuring that all resources available are administered prudently within the terms of the governing trust deed, policies, terms of reference and the like, and in particular the Diocesan Operating Procedures, and to ensure compliance with the requirements of charity law and other relevant legislation. The Secretary supports the Bishop and ensures the smooth functioning of the trustee body.

### **Support and Administration Services**

The Support and Administration Services are managed directly by the Chief Operating Officer. These services exist to assist the Bishop and Trustees in the administration of the temporal goods of the diocese and its parishes: its land and buildings, money, investments and the discharge of its legal and contractual obligations.

The Finance Team oversees the accounting, banking, investments and financial management of the diocese, prepares statutory reports required by the Charities Act, develops and monitors budgets, administers Living Our Faith and other central diocesan funds, looks after Gift Aid claims and provides support to parishes in the management of their finances.

The People Team support line managers with all employment matters relating to employees across the Diocese including recruitment, performance management wellbeing issues and dispute resolution. They also manage payroll apart from the Channel Islands and all legal aspects of employment. This also includes the management of volunteers where legal support and training may be required. The Head of People is also responsible for the Governance and IT Teams, who support all those working and volunteering for the Diocese by providing training and information on protecting personal data and quality IT technical expertise.

The Property Team deals with land and buildings (diocesan, schools, academies and parish) and is led by the Director of Estates (Diocesan Surveyor), overseeing the management of the estate, from acquisitions and sales, through routine upkeep, maintenance and development, compliance with health and safety, fire and disability discrimination legislation to planning applications. Communications and Fundraising

The Director of Communications and Fundraising is responsible for internal and external communications, for the purposes of promoting the Diocesan mission of Bringing people closer to Jesus Christ through His Church, protecting and enhancing the reputation of the Diocese, and developing communications across the administration of the Diocese to create a more inclusive culture between the Diocesan organisation and the parishes using all forms of media across a variety of channels.

The Director of Communications and Fundraising is responsible for coordinating fundraising activity in all its forms, for supporter engagement and development and for providing advice and support to parishes on income generation and adhering to the Code of Fundraising Conduct.

## **2. THE DIOCESAN VISION**

One of the principle duties of the Framework for Collaboration and of every team is to enable the implementation of the Diocesan Vision: *Bringing People Closer to Jesus Christ through His Church*. The key goal is

### **Becoming More Holy**

Let every disciple of Christ - clergy, consecrated and lay - seek to become more holy.

*This is about 'deepening' in order to be more effective witnesses: deepening our faith and spiritual life, becoming people of prayer and sacrifice, and thus becoming more effective and more credible witnesses of Jesus Christ to others.*

## The Four Main Vision-Priorities

### 1. Dependence on God

Let us implore the Holy Spirit to make us people filled with joy and creativity.

*This is the conversion needed to shift from maintenance to mission: that we trust completely in God and His Word through intense prayer, that we ask God for a new outpouring of the Holy Spirit, to unite and inspire our Diocese, its clergy and laity, with constant joy and creativity in developing new ministries and new ways of living the Gospel.*

### 2. Reaching Out

Let us go out beyond our usual circles to find new disciples of Christ.

*This is the 'far evangelisation:' that we reach out on mission beyond the Catholic community to proclaim the Gospel far and wide, helping people to come to know, serve and love Jesus Christ in the communion of His Church, working with other Christians and with all people of good will.*

### 3. Reaching In

Let us help all Catholics develop a personal friendship with Jesus in the Holy Eucharist.

*This is the 'near evangelisation:' that we help all Catholics, to convert and deepen their personal relationship with Jesus Christ, loving Him above all in the Holy Eucharist. This includes a special mission to baptised Catholics who are lapsed or not yet practicing.*

### 4. Service to All

Let us make our parishes and schools into communities that serve the poor and needy, with concern for the natural environment and for social justice.

*This is the conversion from being inward-looking to being outward-looking people/communities: that all our parish and school communities become centres of service, focused on serving the poor and those on the margins.*

## Three Areas of Special Attention

### a) Youth

Let us listen and bring the Gospel to young people, singles and families.

*This is the concern to do all we can to hand on the gift of faith to young men and to young women, converting, forming and equipping them as joyful missionary-disciples of Christ.*

### b) Vocations

Let us develop a culture of vocation and discernment of gifts and charisms.

*We need to pray for, foster and support vocations to all states of life and ministry in the Church, including new initiatives and communities, but especially vocations to the sacred priesthood.*

### c) Targeting Resources

Let us use our resources more imaginatively in service of our mission.

*We need to use our property and our human and financial resources more flexibly and more intentionally in service of the new evangelisation.*

## 3. THE FRAMEWORK, ITS THREE VICARIATES AND SIX DEPARTMENTS

### The Three Vicariates of the Framework

Within the Framework for Collaboration there are three Vicariates: for Vocation, for Education and for Evangelisation. The Vicariates act in compliance with and within powers delegated to them under terms of reference and Diocesan Operating Procedures and policies approved from time to time by the Trustees with the consent of the Bishop. The Framework is theologically grounded on Christ and his three-fold office as Priest, Prophet and King, that is, the triple *munera* of sanctifying (his high priesthood), teaching (his prophetic mission) and shepherding (his rule). The three Vicariates also represent three dynamically interrelated strands of Christian discipleship, animated by the Holy Spirit: call - formation - mission. Inspired by the Holy Spirit, the call of the disciple leads him/her to formation in the life and teaching of Christ, and this in turn leads to him/her being sent out on mission. This suggests that in the Framework, there is a direction of travel, from left to right, with the outcome in evangelisation. Yet evangelisation is always two-way: outreach *ad extra* impels a disciple to reach inwards *ad intra* and *vice versa*. These dialectical tensions orientate the Framework and infuse the

curia with dynamism, to be both top-down and trans-directional, to be collaborative within each Vicariate and to engage horizontally across the Vicariates in common projects and enterprises.

### **The Six Departments**

Each Vicariate is divided into two Departments. These are led by a priest, a deacon, a religious or a layperson and these Heads of Department report regularly to their EV. They will also meet frequently with the Bishop to discuss and align policy. The six Departments are as follows:

Vicariate for Vocation: Department for Vocation; and

Vicariate for Vocation: Department for Clergy.

Vicariate for Education: Catholic Academies and Schools Office; and

Vicariate for Education: Department for Educational Chaplaincies.

Vicariate for Evangelisation: Department for Charity; and

Vicariate for Evangelisation: Department for New Evangelisation.

This allocation of Departments to Vicariates 'steers' departmental policies. Some Departments are divided into Sub-Departments. All Departments and Sub-Departments comprise team-activities. The allocation of Teams is sometimes self-explanatory and sometimes pragmatic (e.g. to share out tasks more equitably across the Vicariates).

### **Department for Vocation**

The Department of Vocation comprises two Sub-Departments: (1) Discipleship and Vocation, and (2) Liturgy. The Department is concerned with the call to discipleship, pre-discipleship and initial proclamation, with particular vocations and with inserting the disciple more deeply into the life of Christ and His Church, especially into the sacred liturgy. It helps to discern, support, promote and celebrate vocations to the priesthood, diaconate, religious life, the consecrated life, the new movements, marriage and family life, celibacy and the single life within the Church. It seeks to identify charisms and to promote spiritual development. It works to advance the liturgical formation of the Diocese in its various dimensions.

### **Department for Clergy**

The Department for Clergy comprises two Sub-Departments: (1) Bishop's Office for the Support of the Clergy, and (2) Chaplaincies. The Bishop's Office for the Support of the Clergy, led by the Vicar for Clergy, looks after the welfare, on-going formation and personal support of priests, deacons and retired clergy. The Department also facilitates the various chaplaincy services of the Diocese: the care of the sick and the needs of the disabled, hospital and prison chaplaincies, ethnic groups, links with the ordinariate, the provision of the Extraordinary Form and care of those from other Rites. The aim of the Chaplaincies Sub- Department is to serve the needs of individuals and to make various provisions in order to release the gifts of all for service of the Church: 'ministry to' for the sake of 'ministry of'.

### **Catholic Academies and Schools Office (CASO)**

The Catholic Academies and Schools Office (CASO), led by the Director of Education, ensures on behalf of the Bishop (cf. CIC 803.1) that all the Catholic schools of our Diocese (independent, maintained voluntary aided and maintained academies) operate as 'Catholic schools' in accordance with both canon and civil law. Schools and parishes are the two principal agencies of the mission of the Church in our diocese and the Department seeks to develop our schools as key diocesan tools of evangelisation in union with the local parishes, Pastoral Areas and Deaneries. Just as parishes are Catholic Eucharistic Communities, so schools are Catholic Formation Communities comprising students, teachers, staff, parents and governors. CASO promotes and develops all aspects of the Catholic nature of our schools providing direction and advice on educational matters. It represents the Bishop at senior leadership appointments, and administers the appointment of foundation governors and directors. It advises and supports governing bodies on their canonical, statutory and legal responsibilities as maintained voluntary aided schools, maintained academies and independent schools. The Department promotes excellence in Catholic education in all diocesan schools, especially in Religious Education, collective worship and religious education resources, all of which is at the heart of the curriculum and purpose of a Catholic school. The Department is also responsible for the canonical and statutory inspections that take place, advising the Bishop on the quality of our schools.

### **Department for Educational Chaplaincies**

The Department for Educational Chaplaincies coordinates our secondary and tertiary level school, academy and university chaplaincies, as well as the wide field of Youth Ministry, including Youth Workers, the Confirmation Follow-Up and diocesan youth programmes, the organisation of youth days and events, the links with the new youth movements and the spiritual formation of altar servers (the latter in liaison with the Liturgy Team and Diocesan MC).

### **Department for Charity**

The Department for Charity comprises two Sub-Departments: (1) Diocesan Outreach; and (2) Bamenda, coordinates the charitable outreach of the Diocese in its schools and parishes. It promotes justice, peace and social responsibility, the charities in our Diocese, the work of Caritas Diocese of Portsmouth, environmental concern and the ecclesial exchange with Bamenda.

### **Department for New Evangelisation**

The Department of New Evangelisation comprises three Sub-Departments: (1) New Evangelisation, (2) Formation for Mission; and (3) Dialogue and Proclamation. The Department promotes the work of new evangelisation through the New Evangelisation Team (= Diocesan Pastoral Council), the Social Research Unit, the formation of children and adults for mission, and the dialogues with fellow-Christians, with the other religions, and with the cultural sectors. It also includes the Jewish-Christian fellowship, outreach to people of goodwill ('Courtyard of the Gentiles') and promoting right relationships with the civil authorities.

## **4. THE SUB-DEPARTMENTS**

### **4.1 Department for Vocation: Discipleship and Vocation**

This Sub-Department of Discipleship and Vocation is concerned with the call to discipleship, with welcoming new members into the Church, and with assisting every member of the Diocese (lay, consecrated and ordained) to grow in discipleship and to discern their God-given vocation. It promotes vocations to every state of life and ministry within the Church. It includes helping people discern a call to perpetual virginity, to consecrated life and to the religious life. It also supports links with the various ecclesial movements and communities. It promotes vocations to the diaconate. Above all, through the Vocations Director, it seeks to promote vocations to the sacred priesthood. This Sub-Department will probably develop further sub-teams as it works progresses. The Diaconate Director, Vocations Promoter and Vocations Director work directly in collaboration with the Bishop

### **4.2 Department for Vocation: Liturgy**

The Sub-Department for Liturgy seeks to facilitate the worthy celebration of the Liturgy across the Diocese and the liturgical formation of both clergy and laity. It serves the needs of liturgical ministers, especially priests, deacons, readers, EMHCs and musicians. It helps the Diocese celebrate the Sacred Liturgy and the liturgical seasons by proposing useful resources and ideas. It fosters liturgical music, and the formation and training of liturgical musicians in plainsong, choral and contemporary styles as well as classical and modern hymnody. It also comprises teams of liturgical experts, those who advise the Bishop and trustees on matters of art, architecture and patrimony, those who are liturgical advisors to the Bishop, those who arrange diocesan events, those who compile the annual *Ordo* and those responsible for the Arch-confraternity of St. Stephen.

### **4.3 Department for Clergy: Bishop's Support of the Clergy**

Led by the Vicar for Clergy and his team of advisers, helpers, support staff and associates, the Sub-Department Bishop's Support of Clergy comprises a number of services and activities to support the holistic well-being of the clergy, both active and retired, such as the provision of spiritual direction, counselling, appraisal, on-going formation and practical advice. It organises retreats, ministerial formation days, courses and sabbaticals. It compiles the Supply Registry. It looks after the junior clergy, the overseas clergy and especially the retired clergy. It is the principal mechanism through which the Bishop looks after the wellbeing of the clergy.

#### **4.4 Department for Clergy: Chaplaincies**

The Sub-Department of Chaplaincies seeks to promote the welfare and support of all the sick, the differently abled, the housebound, the bereaved, the dying, the mentally ill and anyone with special needs across the Diocese, spiritually and practically (e.g. the visually or aurally impaired). It seeks to incorporate them more fully into Christ and His Church so that their gifts can be released and their ministry enabled. The Sub-Department seeks to network, support and incorporate the various ethnic groups of Catholics present in our Diocese for prayer and social gatherings. It facilitates associations of those in special ministry such as prison and hospital chaplains, as well as forging links with military groups, the provision of Other Rites and with the Ordinariate. It also seeks to oversee the provision of liturgical rites in the Extraordinary Form, where these are needed.

#### **4.5 Department for Charity: Bamenda Committee**

### **5. THE FRAMEWORK TEAMS**

#### **5.1 THE FOUR TYPES OF TEAM**

Within the Framework, each Department and/or Sub-Department comprises various Teams. There are four types of Team.

### 5.1.1 Type One Team

A Type One Team is composed of those who are employees of the Diocese or contracted on terms and conditions determined by the Trustees. Most of these are members of the curia, CASO and the Support and Administration Services. They respond to their designated line-managers and/or to the COO.

### 5.1.2 Type Two Team

A Type Two Team comprise volunteers, specialists and support staff appointed directly by the Bishop and/or Bishop's Council. They assist and work under a Director of a Department or Sub-Department. Some of the parameters and procedures for Type Four Teams apply.

### 5.1.3 Type Three Team

A Type Three Team comprises 'specialists' who form quasi-professional organisations: e.g. hospital chaplains, the Junior Clergy Group. These Teams, as their names suggest, have a restricted membership, with meetings and programmes designed by themselves for their mutual support and professional development. The Bishop's Council approves their leadership, team-membership and the programme of work they conduct. Each Team includes (1) a chair or convenor, (2) a chaplain, (3) a secretary and reporter, (4) an 'advertiser', (5) a treasurer and (6) a factotum, in addition to other team members.

### 5.1.4 Type Four Team

Type Four Teams comprise the rest of the Teams within the Framework for Collaboration. These are Teams of volunteers. They meet at least six times per year to pray, to help form themselves and to form others, to discuss and devise policy, to sponsor and enable projects, and to encourage and enable pastoral areas and parishes, the clergy and people at local level, to pursue the task in hand (e.g. activities relating to justice, peace and social responsibility). The Bishop and the Bishop's Council approve membership, appoint the team leaders/chaplains and in some cases designate specific experts and others as team-members. The other members of the Team may be proposed by team leaders/chaplains to the Bishop's Council for approval, and in addition anyone from across the Diocese may volunteer through the team leader/chaplain to the Bishop's Council for approval and membership. Members are initially appointed for 18 months, and then for three years, subject to annual appraisal. Team members, unless otherwise indicated, must be over 18 years old and practising Catholics in good standing with the Church. They should be 'mainstream', intellectually, morally and spiritually converted to Christ and his Church, in full communion of mind and heart with the Bishop and happy to work under the general direction of the Bishop's Council. Where possible and practicable, Teams consist of an equitable balance of women and men, of geographical spread across the Diocese, and of age ranges (18-25, 26-40, 41-60, and 61+). Team members are expected to show commitment to their Team, an appropriate level of confidentiality, a genuine desire to practice collaboration within a team-situation, and to work collaboratively with other Teams in the Framework where common projects emerge and other opportunities arise. Each Team includes (1) a chair or convenor, (2) a chaplain, (3) a secretary and reporter, (4) an advertiser, (5) a treasurer and (6) a factotum, in addition to other team members.

## 5.2 SOME OPERATIONAL DETAILS

### Type One Teams and Type Two Teams

The members of Type One and Type Two Teams derive their purpose and direction from their Director and from their terms of reference and, in some cases, contracts of employment. The aim is to implement and enable the fulfilment of the Diocesan Vision in relation to the Descriptor for the Department or Sub-Department.

### Type Three Teams

Members of Type Three Teams derive their purpose and direction principally from their professional needs in relation to the implementation and fulfilment of the Diocesan Vision. The Vision are seen in relation to the Descriptor for their Team within its Department or Sub-Department. However, what follows next in relation to Type Four Teams is also of relevance.

### **Type Four Teams**

Members of Type Four Teams derive their purpose and direction from their Team Descriptor. The aim is to implement and enable the fulfilment of the Diocesan Vision in relation to the Descriptor for their Team within its Department or Sub-Department. A typical way of work would be as follows:

1. Prayer, formation, study and reflection on the Four Priorities of the Diocesan Vision. What do they mean for this field of work?
2. Prayer, formation, study and reflection on the Team Descriptor, unpacking its meaning and relevance, exploring its scope and discussing its implications. Has the Team Descriptor and its scope been clearly understood?
3. Prayer and discernment, study and reflection on the situation, as it presents itself in the personal experience of team-members, and in the life of the parishes and pastoral areas of the Diocese. What is already going on? What is missing or not happening? What constitutes an example of good practice? What constitutes bad practice, and why?
4. Discuss and devise policy and priorities for short, medium and long term. What is our purpose here? What are the most important things that need to be done? What might this Team affirm, encourage and/or facilitate at parish and/or diocesan level in relation to this field of work? What might be done first, then later (e.g. three years), then in long term?
5. Devise and discuss projects (simple, realistic, measurable). Discuss budget and resource implications. Then, select agreed targets. Ask how? Build a basic project-plan and outline what is required. Forward proposals for approval to (sub-) Departmental Director.
6. Commence implementation of approved policies and projects, advertise work underway and seek prayer, then report on progress made. Plan ahead, resources permitting to next cycle of activity.

Youth chaplains are appointed in liaison with the Bishop and are given their canonical mandate and ecclesial mission by him. The Team meets at least once or twice a year for prayer, discussion and mutual support, the sharing of information, closer liaison with the Diocese, the identification of current challenges and best responses, and the development of good practice.

## **6.3 VICARIATE FOR EVANGELISATION**

### **6.3.1 Bamenda Committee (Type 4 Team)**

The Bamenda Committee comprises a Team of up to 12 members that supports, enables, directs and develops the relationship and ecclesial exchange between the Diocese of Portsmouth and the Archdiocese of Bamenda. This includes promoting prayer for one another, practical and financial support for projects, the organisation of exchange visits, the promotion of the link in our schools and parishes, and the sharing of news and information.

### **6.3.2 Justice, Peace and Social Responsibility (Type 4 Team)**

The Justice, Peace and Social Responsibility Team comprises up to 12 members. The purpose of the Team is to 'conscientise' the Diocese, that is, to stimulate all Catholics to have a real concern for justice, peace and social responsibility at home, at work and in our society. It seeks to promote an authentic humanism inspired by the Gospel, the social teaching of the Church and the vision of Pope Benedict XVI expressed in *Caritas in Veritate* and Pope Francis in *Evangelii Gaudium* on integral human development in charity and truth. The Team creates, stimulates and oversees initiatives at the local, parish, pastoral area and diocesan levels. It links together campaigners and others from across the range of human life issues: from those campaigning against abortion and on beginning of life matters, through campaigns to do with childhood and old age, the care of animals, justice, peace and reconciliation in our own society and oversees, concern with environmental resources, bioethical matters to end of life concerns. The Team seeks to promote links with national organisations.

### **6.3.3 Caritas Diocese of Portsmouth (Type 2 Team)**

The Bishop appoints a Director, who assembles a team of helpers and assistants. This Team, in liaison with the Department for Administration, with the Charities and Outreach Team, and where appropriate with specific teams and vicariates across the Framework, seeks to implement the aims of *Intima Ecclesiae Natura* and to establish Caritas Diocese of Portsmouth (CDOP). *Deus caritas est*, God is love (1 Jn 4:8), the beginning and end of charity, which is the ordered expression of love of neighbour, within the communion and mission of the Church. The love of neighbour is first and foremost a responsibility for each individual member of the faithful but is also a responsibility for the entire ecclesial community at every level. CDOP seeks to enable and support the teaching, promotion, ordering and organising of this constitutive element of the Church within the parishes, schools, pastoral areas and deaneries of the Diocese. It enables this in a variety of ways, including working with charitable groups across the diocese and supporting and sponsoring charitable activities that serve the poorest and most needy at home and abroad. It develops where possible ecumenical links and links with other charitable agencies whose aims are consonant with those of Catholic charity.

### **6.3.4 Refugee Response Group (Type 4 Team)**

The Refugee Response Group comprises up to 12 members, some of whom might be recruited from other relevant Framework teams. It seeks to help the Diocese respond appropriately to the

needs of migrants and refugees living within our area. It acts as a point of reference and advice for parishes and diocesan agencies. It liaises with appropriate government bodies and local agencies, as well as agencies of the Catholic Bishops Conference of England and Wales, in order to enable and develop projects to assist and serve migrants and refugees within the Diocese. It collaborates closely with Caritas, and with the Justice, Peace and Social Responsibility and the Charities and Outreach Teams.

### **6.3.5 Charities and Outreach (Type 3 Team)**

The Charities and Outreach Team is formed of representatives from key charities operating within the Diocese (e.g. CAFOD) and works closely with Caritas Diocese of Portsmouth. The Team meets at least once or twice a year for prayer, discussion and mutual support, the sharing of information closer liaison with the Diocese, the identification of current challenges and best responses, and the development of good practice.

### **6.3.6 New Evangelisation Team (NET)**

The New Evangelisation Team (NET), formed of representatives from the Deanery Evangelisation Strategy Teams, acts as the Diocesan Pastoral Council. It provides the Bishop's Council with comments, feedback and suggestions from the laity. Its focus is especially on matters of mission and new evangelisation. At the same time, it seeks to generate and propose new ideas, strategies and programmes for the pastoral life and mission of the Diocese.

### **6.3.7 Social Research Unit (SRU) (Type 4 Team)**

The Social Research Unit (SRU) is a compact team of researchers, perhaps 6 members. It conducts general research of the demography and demographic trends occurring within the Diocese of Portsmouth, both secular in so far as they impact upon the life of the Church, and internally within the Church (e.g. lapsation and its causes). The information provided by the SRU enables the Diocese more effectively to adapt its evangelistic efforts to the reality of today and to changing or emerging circumstances. Depending on its capacity, the SRU will also answer queries and/or undertake specific research projects, at the request of other Teams across the Framework. It maintains the *Diocesan Dashboard*.

### **6.3.8 Outreach to Marginalised and Inactive Catholics (Type 4 Team)**

The Outreach to Marginalised and Inactive Catholics Team comprises up to 12 members. It seeks to study trends in religious practice and the causes of lapsation or non-practice within the Catholic community. It looks to developing new means of reaching out to marginalized and inactive Catholics, including sharing good practice from local initiatives and linking with methods, schemes and groups already working in this field. This Team researches spirituality, religiosity and faith in our society and promotes projects, in liaison with the SRU and in collaboration with outside agencies. The Team seeks to devise new strategies for use at local, parish and pastoral area level.

### **6.3.9 Formation for Mission Teams (Type 2 and Type 3 Teams)**

The Bishop appoints a Sub-Department Director who assembles a team of helpers and assistants. The Formation for Mission Team (a Type Two Team) comprises up to 12 members, and will develop further 'sub-teams' as its work progresses. The Team seeks to awaken the desire for a personal-passionate love for Jesus Christ within the communion of his Body the Church and thus to encourage and enable intentional discipleship. It includes establishing, forming, training and commissioning a network of catechists across the Diocese and providing for their on-going formation. (The catechists will form Type 3 Teams). Formation for Mission covers two areas: (1) the catechesis of children and young adults, and (2) adult formation. The catechesis of children includes the development of programmes, materials and training required to prepare children and their parents for the sacraments of Baptism, Confirmation and First Holy Communion. It also includes the provision of the same for those involved in the Children's Liturgy at Sunday Mass. Adult Formation includes all the processes, formation and provision of content involved with the RCIA and the rites of reception into full-communion, the support of the higher education programmes in the Diocese run by our privileged partners, St. Mary's, Twickenham, the Maryvale Institute and the School of Annunciation, Buckfast. The Team also looks to the provision of one-off and on-going adult formation courses and events across the Diocese.

### **6.3.10 Christian Unity Team (Type 4 Team)**

The Bishop appoints an Ecumenical Development Coordinator (EDC). The EDC represents the Bishop at ecumenical functions, develops good relations with other non-Catholic clergy and community leaders, and also ensures that a calendar of significant days for other Christians is included in the Diocesan *Ordo*. The Christian Unity Team comprises up to 12 members with representatives from across the Diocese. It assists the EDC and seeks to identify and build good relationships with the clergy and laity of the other Christian communities, our brothers and sisters: with the Orthodox communities and with the Reformed communities (e.g. Anglican, Lutheran, Methodist, Presbyterian, Free Church, Pentecostalist, Baptist and the non-denominational churches). The aim is to pray and work for a deeper spiritual, liturgical, doctrinal and ecclesial communion, and to promote a desire for this within the clergy and laity of our Diocese. This involves developing activities related to education, prayer, membership of ecumenical bodies and other special events at local, regional or diocesan level, not least, though not limited to, the Weeks of Prayer for the Unity of Christians.

### **6.3.11 Jewish-Christian Fellowship Team (Type 4 Team)**

The Jewish-Christian Fellowship Team comprises up to 12 members with representatives from across the Diocese. Its purpose is to identify and build good relationships with the Jewish community within the different areas of our Diocese and to enable mutually enriching discussion, sharing and common projects. The Jews are our elder brothers and sisters in faith. The Team thus seeks to educate the people and clergy of our Diocese to a greater awareness and knowledge of Judaism, our common origins, beliefs and outlooks, our shared values, hopes and worship patterns. The Team ensures that a calendar of significant days for the Jewish community is included in the Diocesan *Ordo* and that appropriate notification and intercessory prayers are sent to parishes for those anniversaries.

### **6.3.12 Inter-Religious Dialogue Team (Type 4 Team)**

The Bishop appoints an Interreligious Dialogue (IRD) Coordinator(s). The IRD Coordinator represents the Bishop at religious functions and seeks to develop good relations with the other religious communities and their leaders. The IRD Coordinator facilitates the IRD Team. The IRD Team comprises up to 12 members with representatives from across the Diocese and as its work progresses, it will probably develop further sub-teams. The purpose of the IRD Team is to identify and build good relationships with the people and leaders of the other religious communities (non-Christian) within the different areas of our Diocese and to enable mutually enriching discussion, sharing and common projects. These links are with the Muslims, the Hindus, the Buddhists and those of other religions. At the same time, the IRD Team helps educate the people and clergy of our Diocese to a greater awareness and knowledge of the other religions, their origins, beliefs and outlooks, their values, hopes and worship patterns. The IRD Team works in association with the interreligious adviser to the Bishops' Conference. The IRD Coordinator and IRD Team ensures that a calendar of significant days for the other religious communities is included in the Diocesan *Ordo* and that appropriate notification and intercessory prayers are sent to parishes for those anniversaries.

### **6.3.13 Dialogue with Cultural Sectors Team (Type 4 Team)**

The Dialogue with Cultural sectors Team comprises up to 12 members selected from various professions (e.g. medicine, education, business) and will develop sub-teams as its work progresses. Its purpose is to network Catholics in the various professions for prayer, mutual support and discussion. It seeks to bring the Catholic Tradition into a critical conversation (dialogue and proclamation) with the thinking and philosophy of those cultural sectors. It seeks to establish an occasional Symposium or study-day either for each profession or one for all on a common theme.

### **6.3.14 The Courtyard of the Gentiles (Type 4 Team)**

The 'Courtyard of the Gentiles' comprises up to 12 members. It seeks to be a space and forum for constructive and hope-filled dialogue between the Church and those of other beliefs or no belief. It seeks to dialogue with those who are seeking with a sincere heart truth, goodness and love. Its aim is to create space for mutually enriching conversation and discussion, and to sponsor innovative projects at local, regional and diocesan level that can help foster community development and further the mission of the Church in the public square.

### 6.3.15 Civic Relations (Type 4 Team)

The Civic Relations Team comprises up to 12 members. It seeks to cultivate good relations with MPs, with those who work in local government and in the public bodies located within our Diocese. It seeks on occasion, where duly delegated, to represent the Catholic Church and the Bishop at local civic events and functions. Where practicable it seeks both dialogue and proclamation, presenting the Catholic faith as an authentic humanism, that is, as the 'fullness of life' (cf. John 10: 10). It seeks to safeguard the interests of the Catholic community within a pluralist and secular context and also to seek out new avenues for service of the whole community, especially of the poorest and most vulnerable

**LITTLEWAY**  
HEALING MINISTRIES

### ***'Freedom through Jesus'***

Littleway is a Holy Spirit-led approach to the Healing of Memories, founded by Fr Laurence Brassill O.S.A and Mrs Pauline Edwards. This gift of Healing of Memories prayer contributes to the physical and inner healing of the whole person.

We will be running Healing of Memories Foundation Courses in 2022. For those people who would like to know more about evangelisation and the role of Healing Ministry within it, please see our website for 2022 dates.

We are also running Parish Healing Missions and Outreach Healing Days in 2022 with times of praise, worship, teaching and healing prayer. We would be delighted to hear from you to discuss running a Mission or Healing Day in your Parish!

The Sixth Revised Edition of Pauline's book 'A Little Way of Healing' is available to purchase from our website.

For individual Healing of Memories prayer  
please contact us on our information line: 07936 269 143

To book your place on a course and for more information on 2022 events, including our twice monthly evenings of Praise, Prayer and Healing via Zoom please go to our website: [www.littlewayhealingministries.com](http://www.littlewayhealingministries.com)

The mission of the Society of the Little Flower is to promote devotion to St. Thérèse of the Child Jesus, Carmelite Nun and Doctor of the Church. Through prayers and donations, friends of St. Thérèse enable Carmelites to continue her "Shower of Roses" in their ministries throughout the world and in the education of young Carmelites.

The generous donations raised by members of the Society and distributed through the Carmelite Curia in Rome have supported projects in countries such as Kenya, Cameroon, the Philippines, Indonesia, China, East Timor, Mozambique, Peru, Brazil and Vietnam.

## Supporting the Diocese

### Gift Aid

The Tax system for Charities reclaiming Income Tax changed on 6 April 2000. Deeds of Covenant cannot be signed after that date for the reclaim of Income Tax.

To replace that system, there is a Gift Aid procedure, which enables Income Tax and Capital Gains Tax paid by the donor to be reclaimed without a fixed amount being promised over a minimum period of time for the future. The new Gift Aid scheme enables the tax reclaimed on giving, provided it is identifiable, to be as flexible as a donor's circumstances dictate.

The Gift Aid Declaration Form is an agreement between you and the Charity which enables you to make unspecified donations for as long or as short a period as you choose from 6 April 2001 and, providing you have paid sufficient tax within a tax year to cover your total giving, then the Charity is able to reclaim the tax on your donations for the benefit of your Parish (tax refund is currently 25p for every £1 donated).

For example, if you give £5 a week (£260 a year) through the Diocesan Gift Aid scheme, the Diocese can reclaim an extra £65 in tax, making your giving worth £325 to your parish.

It is easy to complete a Gift Aid Declaration Form. Ask your Parish Priest or Parish Gift Aid Organiser for a form and enter your full name, address and postcode. Give the completed form to your Parish Organiser. Ask also for either a Standing Order form and envelopes or just for a set of envelopes.

### Bequests

Below is the correct wording if you are considering making bequests to the Diocese, a Parish, or any specific purpose within the Diocese.

#### A bequest to the Diocese

I GIVE AND BEQUEATH the sum of \_\_\_\_\_ to the person who at the time of the payment of the same shall be or act as the Roman Catholic Bishop of Portsmouth to be expended by him with the income thereof for such charitable purposes as His Lordship the Bishop shall in his absolute discretion think fit and I DECLARE that the receipt of the Secretary to the Diocesan Trustees or other duly appointed officer shall be a full and sufficient discharge to my Trustees (Executors) who shall not be bound to see or enquire into the application thereof.

#### A bequest for a parish

I GIVE AND BEQUEATH to the Portsmouth Roman Catholic Diocesan Trustees Registered the sum of \_\_\_\_\_ to be expended with the income thereof for such charitable purposes of the Parish of \_\_\_\_\_ in the said Diocese as the said Diocesan Trustees shall in their absolute discretion think fit and I DECLARE that the receipt of the Secretary to the said Diocesan Trustees or other duly appointed officer shall be a full discharge to my Trustees (Executors) for the sum hereby given and my Trustees (Executors) shall not be bound to see or enquire into the application thereof.

#### A bequest to the Diocese for a specific purpose

I GIVE AND BEQUEATH to the Portsmouth Roman Catholic Diocesan Trustees Registered the sum of \_\_\_\_\_ to be expended by them with the income thereof in such manner in all respects as they in their absolute discretion shall determine for the charitable purpose of the Clergy Training Fund of the said Diocese and the receipt of the Secretary to the said Diocesan Trustees or other duly appointed officer shall be a full discharge to my Trustees (Executor) for the sum hereby given and my Trustees (Executors) shall not be bound to see or enquire into the application thereof.

The words in *italics* change if a different purpose is intended. If you wish to make a bequest to help with clergy training or needs, please specify exactly which Fund is intended. Instead of inserting a particular sum, the bequest may also be expressed in terms of a percentage of the estate, e.g. 5%.

## Parish statistics

The estimated total population and estimated Christian population figures for UK parishes come from the 2011 UK census. The estimated Catholic population figure for UK parishes is calculated at 7% of the estimated total population figure and is based on a study produced by St Mary's, Twickenham in May 2016. Mass attendance figures for all parishes are an average taken over the Sundays in October each year. The Index of Multiple Deprivation (IMD) Score is an overall relative measure of deprivation constructed by combining seven domains of deprivation according to their respective weights. The higher the score, the more deprived the parish. IMD Scores in the UK parishes of the diocese range from 5.3 (Earley) to 38.0 (St John's Cathedral) and are based on data from the Office of National Statistics (ONS). For more information on the composition of the scores, please contact Fr Philip Carroll at pcarroll@portsmouthdiocese.org.uk.

## Emergency Mass Times in Pastoral Areas

As a general rule, it is the responsibility of individual parish priests to secure cover for Sundays when they are not in the parish. (Canon 533§2 of the CIC permits a pastor to be absent from his parish for a maximum of four Sundays per annum, excluding an annual retreat). The parish priest ought to ensure that the supply priest has Disclosure and Barring Service (DBS) clearance **for the Diocese of Portsmouth** or a valid testimonial of suitability. Testimonial forms can be obtained from the clergy part of the website and the completed form ought to be sent to the Bishop's Office stating clearly where and when the priest will be performing supply.

It can be the case that **emergencies** occur due to an unforeseen death, serious illness or a reasonable inability to secure a supply priest. In such cases, there needs to be a contingency plan in each pastoral area to ensure as many Sunday Masses as possible are covered, whilst also ensuring compliance with Canon Law with respect to the maximum number of Sunday Masses to be offered by each priest.

To assist Coordinating Pastors with this contingency planning for an **emergency**, the Bishop's Council has considered which Sunday Masses in each pastoral area will need to be cancelled or have their time of celebration amended in the event of there being **unexpectedly** one fewer priest in active ministry available in the pastoral area. In some Pastoral Areas, due to the number of priests, if one priest should become unavailable this will not have an impact on the number of Masses.

In the event of an emergency and the contingency plan is actioned, the co-ordinating pastor must seek the permission of a Vicar General or the Bishop. The plan should only be implemented for a maximum of two consecutive Sundays and this would need to be widely promoted to the lay faithful. A laminated copy to be displayed will be sent to the parishes concerned.
