## Foreword

Welcome to the Diocesan Directory for 2026. We hope you will find much information about the life of our beloved Diocese.

We have just concluded the Jubilee Year of Hope and we are grateful for the numerous blessings and graces we have received, especially for the Diocese of Portsmouth. This past year we mourned the passing of Pope Francis and welcomed Pope Leo XVI. “Peace be with you all” were his very first words. As followers of Jesus Christ, we are invited to share the peace of the Risen Lord to the people who live within the Diocese. With the grace of God, we will continue the good work that has begun with our Pastoral Plan *You Will be My Witnesses*. In it, we are invited to become a Christ-centred Church, by putting Christ at the centre of our hearts and lives, to become missionary communities, by going out on Christ’s service and mission, and to be prudent stewards of Christ’s Church, by making wise choices to leave a sustainable legacy for future generations. This seeks to put into practice our goal of *Bringing People Closer to Jesus Christ through his Church*.

All of us have God given gifts and talents, and as members of the Church we collaborate in unity for people to encounter Jesus Christ through His Church. The *Framework for Collaboration* organises the different vicariates and pastoral departments to assist in a smooth running of the structures of the Diocese for the sole purpose of mission.

The Directory is the fruit of much hard work. We are very grateful to CathCom for all their assistance. Our thanks also to all have given their time and energy, not least to Deacon Craig Aburn and Fr Anthony Fyk, who have seen it to completion.

Let us pray for the intentions of all the lay faithful, the parishes, teachers, schools, religious and clergy recorded in this Directory. I am very grateful for everything you do for God’s Church. It is itself a genuine testimony to God’s grace, His presence and action among us. Let us pray through the intercession of our primary patron Mary Immaculate, and our secondary patron of St Edmund Abingdon, and through the patron of our youth, St Pier Giorgio Frassati, that the Good Lord will continue to guide and renew our vigour and joy.

In Corde Iesu,

Bishop of Portsmouth

## Diocesan Review of the Year

*'Always [be] prepared to make a defence to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect' (1 Pet 3: 15).* 2025 has been a year of Jubilee! In the Old Testament, the Jubilee Year was a time of renewal, freedom and celebration. Jesus makes it clear that his mission is to bring the justice and freedom of the Jubilee, and we are called to share in His mission (cf. Lk 4: 16-22)!

Jubilee Years only occur every 25 years and the theme for Jubilee Year 2025 was 'Pilgrims of Hope': a year of hope for a world suffering the impacts of war, the ongoing effects of the COVID-19 pandemic, and a climate crisis. Launching this remarkable 'Year of Hope', Pope Francis saw the Jubilee Year as an opportunity to restore hope and a time of renewal and rebirth.

Hope, renewal and rebirth are of course central to the main objectives of our 10-Year Mission *Plan You Will be My Witnesses*: to be a Christ-centred Church that reaches out to all those around us in mission and service. As missionary communities, we welcome all, to support others wherever they are on their pilgrim journey and laying the foundations of a vibrant Diocese for future generations. *You Will be My Witnesses* is a plan for the renewal of every aspect of our Christian lives and an invitation to join in a renewed missionary effort to bring the Gospel to everyone around us, especially the poor and needy. This is why, over this past year, I have continued to ask everyone to adopt The Six Holy Habits: prayer every day, Mass on Sundays, monthly Confession, fortnightly visits to the Blessed Sacrament, Friday as a day of charity and penance, and joining a small group.

While there have been many things to celebrate during this Jubilee Year, it is natural that there have been sad occasions too. In the death of our Holy Father, Pope Francis, the Church and the world lost a man who worked so hard to 'humanise' the papacy, calling us all back to what is truly important in life: the love of God, the service of people, especially the poor and needy, and the care of creation. Throughout his pontificate, as much as any Pope before him, if not more, Francis spoke out against the injustices of our time, calling for an end to the war in Ukraine and for the rehabilitation of migrants and refugees. We gave thanks to God for this great man and for his contribution to the Church and to society. At the same time, we celebrated the election of Pope Leo XIV as a worthy successor and as our new Holy Father.

Young people are the key to the future and 2025 has seen a great focus on youth in our Diocese. It is a particular joy for me to visit our schools and this year I have had the pleasure of visiting 12 of them across the Diocese, from Berkshire to the Isle of Wight, as part of my annual school visits programme. It is so inspiring to see the prayerful engagement of these young people, supported of course by their teachers and families. This commitment to education reflects the Church's recognition of the vital role schools play

in forming young people in the faith, preparing them for both life and eternity. The vision for Catholic education in the Diocese is driven by the mission of 'bringing people closer to Jesus Christ through His Church.' This is why, this year, our Diocesan Trustees reiterated their intention for all Catholic maintained schools within the Diocese to become academies, in a rolling programme to be completed by 2029/30.

In the summer, I was delighted to join our diocesan Jubilee of Youth pilgrimage to Rome, leading 35 'pilgrims of hope' to meet the Pope. During a wonderful stay, we visited the four major basilicas in Rome, as well as the Vatican Museums and the Sistine Chapel. We also covered some of the sights of Rome, beginning with a pilgrimage to Santa Maria sopra Minerva to pray at the casket of Bl. Pier Giorgio Frassati,

whose body had been brought to Rome for the veneration of the youth. Thousands of young people from all over the world milled around and there were special talks in the church throughout the day on Frassati and his life and example. Our young people – and all of us – had an inspiring time.

Later in the year I returned to Rome for an amazing weekend when, on Sunday 7 September at Mass in St. Peter's Square, the Holy Father, Pope Leo, canonised two new saints for the

Church: St. Pier Giorgio Frassati and St. Carlo Acutis. A huge crowd was present, with 300 cardinals and bishops, 2,000 priests and an estimated 80,000 people. It was a moment of real joy, enhanced by the warm Roman sunshine.

Our annual pilgrimage to Lourdes in this Jubilee summer provided many happy highlights, one of which was on Day Two, when I was invited to vest and walk behind the image of Our Lady in an unforgettable Torchlight Procession. On Day Three I lit the Pilgrimage Candle and presented prayers to Our Lady at the Grotto on behalf of the Diocese. All 50 of our pilgrims of hope had a wonderful and inspiring visit.

Jesus prayed for the unity of all Christians '*ut unum sint* ... that they may be one' (Jn 17: 21) During the summer I joined Bishop Jonathan Frost, the Church of England Bishop of Portsmouth, in leading an ecumenical youth pilgrimage to Taizé in Burgundy. Around 40 young people joined the trip, mostly from Christ the King College on the Isle of Wight. The Taizé Community is an ecumenical monastic community and it has become an international centre of Christian youth pilgrimage, with over 100,000 young people a year visiting. The days were centred on prayer in common (using the famous Taizé chants), Bible study, communal work and shared reflection.

Closer to home, July saw our 11 seminarians at Bishop's House for their annual summer gathering, Mass and lunch. In the evening we welcomed some young 'seekers' - men who are discerning a vocation to the sacred priesthood - for a BBQ. We must keep all our seminarians and those charged with their formation in our prayers, for they are the future shepherds of our faith. In July in St John's Cathedral, we celebrated the ordination of Fr. Ryan Browne to the priesthood, and Emmanuel Chituh and Richard Martin to the diaconate for service in the Diocese of Portsmouth. What a great privilege it is to know that God has called them and that they have heard and responded to His call.

The Diocese of Portsmouth covers 2,500 square miles, so there are always challenges for the Bishop to connect and engage with the clergy, religious and faithful throughout the mainland and the islands. I was therefore delighted to make several parish visitations during the year, from Bournemouth in the west to Oxfordshire and west Berkshire in the north and south to Jersey and the Isle of Wight as well as Portsmouth, Reading, Basingstoke and Southampton. These provided an excellent opportunity to see the progress we are making towards our 10-year Mission Plan. This vital ongoing work is producing changes, such as the merger of the Ascot and Windsor parishes and the Maidenhead and Twyford parishes, while after comments and recommendations from the clergy and parishes concerned, I amalgamated the three pastoral areas of Bournemouth East, Bournemouth South and Bournemouth West into a new combined area called the Bournemouth-Christchurch Pastoral Area. We also

amalgamated the two pastoral areas of Southampton into one. I am sure these changes will assist the mission across their areas. I am also delighted to report that my weekly e-News, the digital round-up of stories, teachings and events from across the Diocese, reached its 500th edition! Many thanks to all who contribute to it, and especially to Deacon Craig Aburn, Bishop's Executive Assistant, who assiduously puts each edition together.

During the year I was delighted to appoint Fr Michael Fava, the parish priest of St. Joseph's Newbury, as the new Episcopal Vicar for Religious. The Episcopal Vicar for Religious acts on behalf of the Bishop in matters relating to the institutes, members and persons of religious and consecrated life in the Diocese. I also wish to pay thanks to Canon Mark Hogan, Parish of St Peter and the Winchester Martyrs, for his sterling contribution as a member of the Board of Trustees, and we welcome Fr Gaston Afah, Parish Priest of English Martyrs in Reading, to the Board in his stead.

This summer, as the Roman Catholic and Church of England Bishops of Portsmouth, Bishop Jonathan Frost and I emphasised the role of church leaders in supporting and speaking out for the less fortunate after events in our city that involved the intimidation, blaming and scapegoating of asylum seekers and refugees. Immigration is a complex matter and we understand the real concerns and fears about immigration. Yet every refugee or asylum seeker is a person with a name and a story to tell and we must remember they have often fled from truly desperate situations. We remember Jesus's words '*I was a stranger and you welcomed me*' (Mt 25: 35) and how He identified Himself with the poor and needy such that in caring for them, we are really caring for Him. The light of faith prompts Christians to support asylum seekers and refugees, as well as the homeless, the poorest and the oldest in our communities. That compassionate approach is rooted in a regard for the sanctity of all human life from conception to natural death. This principle is the bedrock of our shared faith.

During the year, the House of Commons voted in favour of two matters that fundamentally change our society's long held values and relationships on matters of life and death. One vote supports making it legal for a mother to abort her baby up to the moment of birth. The other seeks to legalise suicide and to offer assistance with suicide to those who are terminally ill. These are truly bad moves. Assisted suicide will put pressure on the elderly and the dying, making them feel they are a burden. Assisted suicide will also undermine palliative care and the role of care homes, as well as the trust that should exist between patients and doctors. More, the range of eligibility is bound to expand over time so that death by suicide will become entirely normal. Even if not unexpected, these votes pose a grave danger. Britain is crossing a line from which there will be no return. Yet even so, all those of good will must continue the fight and the argument. As the bill in Parliament goes through its lengthy committee stages, we now need to pray earnestly, and to work tirelessly, to contain its range and its reach, to ensure that people of conscience are not forced into participation.

On a happier note, I was pleased to welcome Archbishop Andrew Nkea from our sister diocese of Bamenda, Cameroon. It was a delight to see him and he told me about a number of projects in Bamenda, including the renovation of the cathedral, which is now almost complete, and the opening of a new Catholic University in Bamenda, next door to the cathedral. The Archdiocese of Bamenda celebrated its 50th anniversary in 2024 and we also had the opportunity to welcome the British High Commissioner to the Republic of Cameroon, Mr Matt Woods, to the Diocese to recognise the link between the Catholic Diocese of Portsmouth and the Archdiocese of Bamenda.

Caritas Portsmouth is the social action and environmental action team within the diocese, helping people in parishes and schools use their gifts and charisms to support their local communities through project initiation and development, sharing the love and mercy of God with the wider world. During the year,

Caritas put together a new resource for parishes initiating new social action projects. The guide contains information on health and safety, fundraising, governance, volunteer recruitment, marketing, communications and measuring impact - everything they need to get a project off the ground.

I was pleased to bestow the Diocesan Medal on Jo Lewry in recognition of her many years' service to CAFOD in the diocese, before her well-earned retirement. Jo has been Community Participation Coordinator for CAFOD (the Catholic Agency for Overseas Development) for Portsmouth Diocese for ten years and the medal recognised her wonderful work in the diocese in raising the funds needed to support communities overseas who are suffering because of droughts, floods and wars.

*'I am the living bread that came down from heaven. If anyone eats of this bread, he will live for ever. And the bread that I will give for the life of the world is my flesh' (Jn 6: 51).* In conclusion, as we reflect upon this wonderful Jubilee year, let us thank God for the blessings He has given us. Let us ask Him for the strength to overcome our challenges. Through the intercession of Mary Immaculate, St. Edmund of Abingdon and St. Pier Giorgio Frassati, let us pray for the courage and determination to embrace the present and eagerly to anticipate the future.

In Corde Iesu

# Our Mission Plan

To play your part in our Ten-Year Mission, start by scanning here with your smart phone.

Alternatively, please visit our website:  
[www.portsmouthdiocese.org.uk/our-mission/planning/ten-year-plan/](http://www.portsmouthdiocese.org.uk/our-mission/planning/ten-year-plan/)

## Become a Christ-Centred Church

1

The first principle of our Mission Plan is to be a Christ-Centred Church. Our hope is that each one of us will be formed to foster a deep and lasting relationship with Jesus Christ. Inspired by the Mass and the Sacraments of the Church we will grow in faith and be confident in evangelising others.

**Uplifting and devotional liturgy through music and prayer.**

**Ongoing formation in faith for all: both clergy and lay.**

**Locally-led evangelisation.**

### Ask Yourself...

Your time, talent and treasure are needed to support this plan of renewal.

*"The harvest is plentiful but the labourers are few..." (Matthew 9:37)*

You could: Pray for renewal in our Church, talk about your faith and what it means to you, give some time to serve those in need to truly be the Church beyond walls, serve in one of the many ministries on which your parish depends, welcome new people and get to know others in your local community to build the family of faith.

## Grow and Galvanise Missionary Communities

2

The second goal of our Mission Plan is to build missionary communities. The Church exists to evangelise; to bring people closer to Jesus Christ. Our missionary communities should be welcome to all, evangelistic, and understanding in how to support others, wherever they are, on their pilgrim journey.

In the words of John Henry Newman:

*"God has some work assigned to you and you only- we each have a mission and a role to play, in bringing about this inspiring diocesan plan."*

**Leadership focused on mission and service.**

**Our young Church Nurtured and inspired.**

**Church Beyond walls.**

## Lay the Foundations of a Vibrant Diocese for Future Generations

3

The Lord has given us many gifts to carry out His mission of evangelisation. This includes the talents of all those individuals who make up our communities and who offer their lives, talents, charisma, vocations, faith, experience and time. We are also blessed with temporal resources, such as property, building, savings, income and other financial resources which support our staff, clergy and maintenance of adequate facilities.

Prudent stewardship is necessary to ensure that our Mission Plan is effectively resourced and brings the Church in our Diocese to a sustainable position for a vibrant future. This the third pivotal goal of our diocesan strategy.

**Reshaped structures.**

**Prudent stewardship of our resources.**

**Investing for the future.**

# Supporting the Diocese

## Closer to Christ Campaign

The Closer to Christ Campaign is an extraordinary undertaking that has and continues to benefit the Diocese by building upon the diocesan mission of supporting individuals in practicing and deepening their faith in Jesus Christ, and providing much needed resources to fund seminarians in formation for priesthood, and provide for the ongoing formation and care for priests in active ministry and into retirement, and helping parishes to secure the necessary resources to thrive in the future.

Over the last four years, 79 parishes have taken part in this campaign, raising over £11.6 million towards our original goal of £13.5 million. This is a fantastic milestone that we firmly believe is laying the foundations for strategic growth in the future, bringing people closer to Jesus Christ through His Church, but there is still more to go.

We are enormously thankful to priests and parishes right across the Diocese who have entered this campaign with generosity, reflecting their love for the Church and their hope for the future. Three out of four parishes that took part have not only achieved their goal but surpassed it, some by significant amounts. By any standards, the Closer to Christ campaign has been tremendously successful, with parishioners from every corner of the Diocese answering the call to support the clergy and contribute towards their local parish priorities.

*giftaid it*

## Supporting the Diocese and local parishes

As a registered charity, the Diocese and its parishes receive no income from the Vatican or the UK government: we are heavily reliant on charitable giving as a source of recurrent income to support our parishes, and activities, in addition to some income from investments, rent and grants.

There are a number of ways to donate to the Diocese and its parishes. Whichever you choose, please don't forget to Gift Aid your donation if you are eligible to do so. Gift Aid is a government scheme that lets charities claim tax relief on our donations you make to them. The Diocese is allowed to reclaim an extra 25% in tax on every donation we get from an eligible UK taxpayer at no extra cost to them. This makes Gift Aid an increasingly important source of income for our parishes. This year alone the Diocese has claimed back over £1 million from HM Revenue and Customs on behalf of our parishes.

Anyone wishing to join the Gift Aid Scheme must be a UK taxpayer. To join the scheme, please complete the online Gift Aid Declaration form on our website, which authorises the Diocese to reclaim tax on their donations. This online form replaces the paper forms held by parishes and covers all donations made by a donor to any parish within the Diocese.

## Offertory

The Offertory, or Collection, at Mass is an integral part of the Sunday liturgy, not just because it is the primary means by which the parish receives financial support from the parishioners but because it is also an expression of our gratitude to God for the blessings He has given us to return a portion of them back to Him for use by His Church. For each of us, the offertory is an invitation to support the evangelising mission of the church

Fewer and fewer of us carry cash on a regular basis and this is reflected in how we want to donate to our favourite charities and causes, including of course our local church, so for many people, it is now much easier to give by bank standing order or direct debit.

Switching to direct debits or standing orders:

- Improves the regularity and consistency of church income
- Cuts the volunteer time needed to open and check envelopes after the service
- Minimises the risks involved in weekly cash banking and addresses the challenges resulting from reduction in the number of High Street bank outlets
- Cuts stationery costs - dated envelope sets are fairly expensive
- Helps the Church to budget and manage its finances more effectively

Please speak to your parish office if you would like to find out more about regularising your offertory giving through a direct debit or you would like to increase the value of an existing direct debit. You can set up a Standing Order yourself through your bank to pay your local parish a fixed, regular payment. This can be for any amount and at any time in the month. Contact your bank or building society for more information or if you would like to increase the value of an existing standing order.

## Contactless and online giving

If your church has a digital collection plate, just tap your mobile phone or card to make a donation - and you can easily Gift Aid each donation, adding 25% to its value. Once your card is registered with the digital collection plate, the plate will recognise it and automatically apply Gift Aid to all donations made with it.

Make a donation through your parish website. Your parish website will have a 'donate' button or QR code that will take you to its own Give As You Live page, where you can donate.

You can also make a one-off or set up a regular donation to the Diocese by visiting our website: [portsmouthdiocese.org.uk/support-our-work/donate/](http://portsmouthdiocese.org.uk/support-our-work/donate/)

## Legacies

You can also leave a gift in your will to the Diocese or your parish. Every time someone leaves a gift in their will to the Catholic Diocese of Portsmouth or one of its parishes, they are entrusting us to ensure that it makes a positive difference to our clergy, church communities and to our overarching mission to bring people closer to Christ through his Church. Every gift, no matter what size, has a lasting impact. For more information, please see Leave a Gift in Your Will under Support Us on our website.

**Diocese of Portsmouth**  
**THE FRAMEWORK FOR COLLABORATION**  
 as at 23 December 2024

## **1. THE DIOCESAN CURIA OR 'FRAMEWORK FOR COLLABORATION'**

The Diocesan Curia consists of those institutions and persons, which assist the Bishop in the governance of the diocese, especially in guiding pastoral action, in caring for administration within the Diocesan Trust Deed and in exercising judicial power (Can. 469). In the Diocese of Portsmouth, the Diocesan Curia /is also called the 'Framework for Collaboration.' It comprises many teams, experts and ministers who directly assist the Bishop in the pastoral mission and life of the Diocese.

### **The Bishop**

The Bishop, assisted by his priests and deacons, acts sacramentally in the name of Our Lord Jesus Christ as the High Priest, Teacher and Shepherd of the Diocese, that is, that portion of the Lord's flock entrusted to him.

### **Vicars General**

For the governance of the Diocese of Portsmouth, the Bishop has appointed two Vicars General (VG) to assist him. By virtue of their office, the VGs exercise the Bishop's executive power throughout the Diocese, namely, the power to perform all administrative acts within and subject to the authority of the terms of reference, policies and Diocesan Operating Procedures (DOPs) and other authorities approved from time to time by the Board of Trustees with the consent of the Bishop, except those which the Bishop has reserved to himself or which require a special mandate of the Bishop by law or which are reserved to themselves by the Trustees or expressly delegated by the Trustees to committees or officers of the Diocese or other persons with the consent of the Bishop. One VG has been appointed as the Moderator of the Curia, in order to coordinate administrative matters and to ensure that those who belong to the curia fulfil the offices entrusted to them (Can. 473 §2). The other VG is the Vicar for Clergy and leads the Bishop's office for the Support of the Clergy.

### **Episcopal Vicars**

The Bishop has appointed three Episcopal Vicars (EV), with the same ordinary power as a VG but limited to a specific pastoral competence. The EVs thus lead three Vicariates: Vocation, Education and Evangelisation. Because the EVs like the VGs share ordinary jurisdiction directly in the Bishop's mission, the VGs and EVs are priests.

### **The Bishop's Council**

The Bishop's Council is an advisory body; it advises and serves the Bishop. It comprises the two VGs and three EVs (can. 473 §4). The Bishop's Secretary acts as its Secretary. A sub-committee of the Bishop's Council (formed of the Bishop and the two VGs one of whom is the Vicar for Clergy) form the Personnel Committee, which is concerned chiefly with the welfare and deployment of the clergy, although in some cases, clergy matters are discussed in confidence with the whole Bishop's Council.

### **The Head of Safeguarding**

The Head of Safeguarding is employed to co-ordinate safeguarding matters within the Diocese, including where applicable for those religious communities affiliated to the Diocese. The Head of Safeguarding is accountable to the Bishop, the Board of Trustees and the Safeguarding Committee, providing assurance that the safeguarding functions and responsibilities are managed in accordance with the national policies and procedures and in support of the quality standards as set out by the Catholic Safeguarding Standards Agency (CSSA). The Head of Safeguarding directs the business of the Safeguarding Office, managing all matters relating to concerns and allegations of abuse, and maintains active links with statutory agencies and local safeguarding partnerships

### **The Safeguarding Committee**

The Safeguarding Committee is a sub-committee of the Board of Trustees and chaired by a nominated Trustee. The Committee comprises clergy members and independent professional people, appointed by the Trustees with the prior approval of the Bishop, to act on their behalf to

oversee the implementation of the standards, procedures and guidelines of the CSSA. The Committee membership comprises people with specific experience and expertise in safeguarding and includes representatives from the police, safeguarding organisations, social care and the probation service. The Committee meets at least six times a year, with the Head of Safeguarding reporting to the Committee regarding strategic and operational work and performance management..

### **The Safeguarding Office**

The Safeguarding Office, under the direction of the Head of Safeguarding, is responsible for among other things the processing of DBS checks as part of the wider safe-recruitment policy of the Catholic Church in England and Wales. It keeps a database for the diocese and also maintains information on the national database held by CSSA. It is responsible for the recruitment and training of parish representatives in the procedures they must follow when volunteers are appointed in the parish, in best practice in dealing with situations where children and vulnerable adults are present, and in what to do when concerns arise over a particular situation or person including compliance with the relevant DOPs. The Safeguarding Office co-ordinates a training programme across the Diocese and offers general support to the Head of Safeguarding

### **The Chancery**

The Bishop appoints a Chancellor, whose task is to ensure that the acts of the curia are drawn up, dispatched and archived according to due form and process. In cases of marriage, the Chancellor by mandate of the Bishop, has powers to dispense from impediments to marriage dispensable by the Ordinary (Can 1078). He acts as a sole judge in cases concerning the impediment of ligament and in cases concerning the defect of canonical form. He can dispense from canonical form (Can 1127 n.2) and grant retroactive validation (Can 1161 & 1165). The Chancellor has a further responsibility for maintaining the diocesan Foundation Mass Book, managing the Mass stipends account and distributing Masses where necessary. The Chancellor may also act as a notary for the Bishop's Office. Moreover, by mandate of the Bishop and in collaboration with the Bishop's Office, the Chancellor may grant diocesan faculties to a visiting priest, grant leave of absence, issue *celebrebs*, grant faculties to receive a non-Catholic into full communion with the Church and grant priests of the diocese the faculty to administer the Sacrament of Confirmation (Can 882).

### **The Diocesan Tribunal**

The Bishop appoints a duly qualified Judicial Vicar to act on his behalf in all judicial and canonical matters. The work of the Diocesan Tribunal in practice is chiefly concerned with applications for a decree of nullity or dissolution of a marriage bond. A divorced party approaches the Tribunal for the investigation of their previous marriage in order to establish whether the marriage was a valid marriage and whether there is sufficient evidence to demonstrate that an essential element of marriage was absent so that a declaration of nullity can be granted.

### **The Chief Operating Officer (COO)**

The COO leads the entire 'business function' of the Diocese in order to deliver the Bishop's Vision. The COO is accountable to the Bishop and the Board of Trustees. Working closely with the Chairs of each of the Vicariates, the COO develops processes by which their respective strategies are implemented. S/he is also the Oeconomus of the Diocese. S/he line-manages the Diocesan Support and Administration Services (DSAS), and the senior staff of the Curia. She collaborates with the Secretary to the Trustees.

### **The Board of Trustees**

The Diocese of Portsmouth became a CIO under civil law in January 2023. Chaired by the Bishop, the Trustees have responsibility for ensuring that the activity of the diocese complies fully with charity law and civil law in all areas, for example, administration of resources (finance and property), safeguarding and personnel issues. The Trustees are also concerned with the appropriate application of canon law and how the Diocese enacts the Bishop's vision. The Trustees are a balance of clergy and laity bringing a range of professional expertise and experience to the task. They are appointed under the terms of the Diocesan Trust Deed and they propose, discuss and enact policies with the consent of the Bishop. In the Diocese the Board of Trustees also fulfils the role of the Diocesan Finance Council as required by Canon Law. Working closely with the Bishop, the Trustees ensure that the work of the diocese

complies fully with the purposes of the charity stated in its Trust Deeds. The Trustees work together as a full trustees meeting (FT), through Vicariate Committee meetings and through other Committee meetings as established.

### **The Secretary to the Trustees**

The Secretary to the Trustees is appointed to provide guidance and advice to the Bishop and to the Trustees, whilst ensuring that all resources available are administered prudently within the terms of the governing trust deed, policies, DOPs, terms of reference and the like. The Secretary offers personal support to the Bishop and ensures the smooth functioning of the trustee body.

### **Diocesan Support and Administration Services (DSAS)**

The DSAS are managed directly by the COO. These services exist to assist the Bishop and Trustees in the administration of the temporal goods of the diocese and its parishes: its land and buildings, money, investments and the discharge of its legal and contractual obligations. It supports the parishes and other entities of the diocese in carrying out their responsibilities and needs. The DSAS comprise various Teams.

The Finance Team oversees the accounting, banking, investments and financial management of the diocese, prepares statutory reports required by the Charities Act, develops and monitors budgets, administers funds, Gift Aid claims and provides support to parishes in the management of their finances.

The People Team supports line managers with all employment matters relating to employees across the Diocese including recruitment, performance management wellbeing issues and dispute resolution. They also manage payroll and legal aspects of employment. This includes the management of volunteers where legal support and training may be required. The Head of People is also responsible for the Governance and IT Teams, who support all those working and volunteering for the Diocese by providing training and information on protecting personal data and quality IT technical expertise.

The Property Team deals with land and buildings (diocesan, schools, academies and parish) and is led by the Director of Estates, overseeing and supporting parishes in the management of the estate, from acquisitions and sales, through routine upkeep, maintenance and development, compliance with health and safety, fire and disability discrimination legislation to planning applications.

The Communication and Fundraising Team is responsible for internal and external communications, for the purposes of promoting the Diocesan mission, protecting and enhancing the reputation of the Diocese, and developing communications across the administration of the Diocese to create a more inclusive culture between the Diocesan organisation and the parishes using all forms of media across a variety of channels. The Director of Communications and Fundraising is also responsible for coordinating fundraising activity in all its forms, for supporter engagement and development and for providing advice and support to parishes on income generation and adhering to the Code of Fundraising Conduct.

## **2. THE DIOCESAN TEN-YEAR MISSION PLAN**

One of the principle duties of the Framework for Collaboration and of every team is to enable the implementation of the diocesan ten-year Mission Plan *You Will be My Witnesses* (YWB MW). The Church's fundamental purpose is to evangelise, that is, to live and proclaim the Gospel of Jesus Christ, and as His disciples, to draw others into a deep, personal, life-changing friendship with Him, within His Body the Church, in His Word, in the Sacraments and in the Holy Eucharist. The purpose of YWB MW can be summed up as: *Bringing People Closer to Jesus Christ through His Church*. There is also a schools version of the mission-plan that applies YWB MW to the work of the Catholic schools of the Diocese.

*You Will be My Witnesses* is a call to deep renewal, to radical change, to the hardest change of all: changing oneself, deepening faith in Christ, and focusing outwards on mission and service.

The plan revolves around three interrelated goals:

### 1. To be a Christ-centred Church

Putting Christ at the centre of our hearts and our lives. This is about deepening and renewing faith that every disciple of Christ - clergy, consecrated and lay - seeks to become more holy. It is a plan to facilitate renewal of prayer, spirituality, devotion, the sacred liturgy, faith-formation and catechesis.

### 2. To be Missionary Communities

YWBWM is also about outreach in mission and service: becoming missionary communities (families, schools, parishes and groups) that go out on Christ's service and mission. This means being a 'Church without Walls.' It involves both proclamation and service. Proclamation: how to engage with those around in order to help them come into contact with Jesus and the Gospel? Service or Charity: What are the needs of this area? How might we serve them in order to meet Christ in the needy? This second goal involves a special concern for the young.

### 3. To be Prudent Stewards

The third goal of YWBWM is to use the resources of the Church prudently, making wise choices in order to leave a sustainable legacy for future generations. Why spend the most time, talent and treasure on maintaining buildings rather than on people and mission activities? Where should resources be prioritised?

The Church of Portsmouth is at a *kairos* moment, an opportune and decisive moment. This is a new apostolic age. The 'ship' needs to be turned, faith deepened and the Faith proposed more attractively to others. It is a time to pray to the Holy Spirit, a time for vision and creativity, and a time to pray for the grace to change.

## 3. THE FRAMEWORK, ITS THREE VICARIATES AND SIX DEPARTMENTS

### The Three Vicariates of the Framework

Within the Framework for Collaboration there are three Vicariates: for Vocation, for Education and for Evangelisation. The Vicariates act in compliance with and within powers delegated to them under terms of reference and the DOPs. The Framework is theologically grounded on Christ and his three-fold office as Priest, Prophet and King - the triple *munera* of sanctifying, teaching and shepherding. The three Vicariates also represent three dynamically interrelated strands of Christian discipleship, animated by the Holy Spirit: call - formation - mission. Inspired by the Holy Spirit, the call of the disciple leads him/her to formation in the life and teaching of Christ, and this in turn leads to him/her being sent out on mission. There is in the Framework a direction of travel, from left to right, with the outcome in evangelisation. No element within the Framework can operate therefore in a silo; each must interrelate with others. Of course, evangelisation is always two-way: outreach *ad extra* impels a disciple to reach inwards *ad intra* and *vice versa*. All these dynamics are meant to orientate the Framework and the DSAS to be both top-down and trans-directional, to be collaborative within each Vicariate and to engage horizontally across the Vicariates in common projects and enterprises.

### The Six Departments

Each Vicariate is divided into two Departments. These are led by a priest, a deacon, a religious or a layperson and these Heads of Department report regularly to their EV. They will also meet frequently with the Bishop and the Bishop's Copuncil to discuss and align policy. The six Departments are as follows:

- Vicariate for Vocation: Department for Vocation; and
- Vicariate for Vocation: Department for Clergy.
- Vicariate for Education: Catholic Academies and Schools Office; and
- Vicariate for Education: Department for Educational Chaplaincies.
- Vicariate for Evangelisation: Department for Charity; and
- Vicariate for Evangelisation: Department for New Evangelisation.

This allocation of Departments to Vicariates 'steers' departmental policies. Some Departments are divided into Sub-Departments. All Departments and Sub-Departments comprise team-activities. The allocation of Teams is sometimes self-explanatory and sometimes pragmatic (e.g. to share out tasks more equitably across the Vicariates).

### **Department for Vocation**

The Department of Vocation comprises two Sub-Departments: (1) Discipleship and Vocation, and (2) Liturgy. The Department is concerned with the call to discipleship, pre-discipleship and initial proclamation, with particular vocations and with inserting the disciple more deeply into the life of Christ and His Church, especially into the sacred liturgy. It helps to discern, support, promote and celebrate vocations to the priesthood, diaconate, religious life, the consecrated life, lay movements, marriage and family life, celibacy and the single life within the Church. It seeks to identify charisms and to promote spiritual development. It works to advance the liturgical formation of the Diocese in its various dimensions.

### **Department for Clergy**

The Department for Clergy comprises two Sub-Departments: (1) the Bishop's Office for the Support of the Clergy, and (2) Chaplaincies. The Bishop's Office for the Support of the Clergy, led by the Vicar for Clergy, looks after the welfare, on-going formation and personal support of priests, deacons and retired clergy. The Department also facilitates the various chaplaincy services of the Diocese: the care of the sick and the needs of the disabled, hospital and prison chaplaincies, ethnic groups, links with the Ordinariate and care of those from other Rites. The aim of the Chaplaincies Sub-Department is to serve the needs of individuals and to make various provisions in order to release the gifts of all for service of the Church: 'ministry to' for the sake of 'ministry of'.

### **Catholic Academies and Schools Office (CASO)**

The Catholic Academies and Schools Office (CASO), led by the Director of Education, ensures on behalf of the Bishop that all the Catholic schools of our Diocese (independent, maintained voluntary aided and maintained academies) operate as 'Catholic schools' in accordance with both canon and civil law (cf. CIC 803.1). Schools and parishes are the two principal agencies of the mission of the Church in the diocese and the Department seeks to develop schools as key diocesan tools of evangelisation in union with the local parishes, Pastoral Areas and Deaneries. Just as parishes are Catholic Eucharistic Communities, so schools are Catholic Formation Communities comprising students, teachers, staff, parents and governors. CASO promotes and develops all aspects of the Catholic nature of schools providing direction and advice on educational matters. It represents the Bishop at senior leadership appointments, and administers the appointment of foundation governors and directors. It advises and supports governing bodies on their canonical, statutory and legal responsibilities as maintained voluntary aided schools, maintained academies and independent schools. The Department promotes excellence in Catholic education in all diocesan schools, especially in Religious Education, collective worship and religious education resources, all of which is at the heart of the curriculum and purpose of a Catholic school. The Department is also responsible for the canonical and statutory inspections that take place on behalf of the Bishop.

### **Department for Educational Chaplaincies**

The Department for Educational Chaplaincies coordinates secondary and tertiary level school, academy and university chaplaincies, as well as the wide field of Youth Ministry, including Youth Workers, Confirmation and diocesan youth programmes, the organisation of youth days and events, the links with the youth movements and the spiritual formation of altar servers (the latter in liaison with the Liturgy Team and Diocesan MC).

### **Department for Charity**

The Department for Charity comprises two Sub-Departments: (1) Caritas; and (2) Bamenda. It coordinates the charitable outreach of the Diocese in its schools and parishes. It promotes justice, peace and social responsibility, the charities of Diocese, the work of Caritas Diocese of Portsmouth, environmental concern and the ecclesial exchange with Bamenda.

### **Department for New Evangelisation**

The Department of New Evangelisation comprises three Sub-Departments: (1) New Evangelisation, (2) Formation for Mission; and (3) Dialogue and Proclamation. The Department promotes the work of new evangelisation through the Diocesan Pastoral Council, the formation of children and adults for mission, and the dialogues with fellow-Christians, with the other religions, and with the cultural sectors. It also includes the Jewish-Christian fellowship, outreach to people of goodwill ('Courtyard of the Gentiles') and promoting right relationships with the civil authorities.

## 4. SUB-DEPARTMENTS

### 4.1 Department for Vocation: Discipleship and Vocation

This Sub-Department of Discipleship and Vocation is concerned with the call to discipleship, with welcoming new members into the Church, and with assisting every member of the Diocese (lay, consecrated and ordained) to grow in discipleship and to discern their God-given vocation. It promotes vocations to every state of life and ministry within the Church. It includes helping people discern a call to perpetual virginity, to consecrated life and to the religious life. It also supports links with various ecclesial movements and communities. It promotes vocations to the diaconate. Above all, through the Vocations Director, it seeks to promote vocations to the sacred priesthood. This Sub-Department will probably develop further sub-teams as it works progresses. The Diaconate Director, Vocations Promoter and Vocations Director work directly in collaboration with the Bishop

### 4.2 Department for Vocation: Liturgy

The Sub-Department for Liturgy seeks to facilitate the worthy celebration of the Liturgy across the Diocese and the liturgical formation of both clergy and laity. It serves the needs of liturgical ministers, especially priests, deacons, readers, EMHCs and musicians. It helps the Diocese celebrate the Sacred Liturgy and the liturgical seasons by proposing useful resources and ideas. It fosters liturgical music, and the formation and training of liturgical musicians in plainsong, choral and contemporary styles as well as classical and modern hymnody. It also comprises teams of liturgical experts, those who advise the Bishop and trustees on matters of art, architecture and patrimony, those who are liturgical advisors to the Bishop, those who arrange diocesan events, those who compile the annual *Ordo* and those responsible for the Arch-confraternity of St. Stephen. The work of this Sub-Department is lead by the Director of Liturgical Formation, appointed by the Bishop.

### 4.3 Department for Clergy: Bishop's Support of the Clergy

Led by the Vicar for Clergy and his team of advisers, helpers, support staff and associates, the Sub-Department Bishop's Support of Clergy comprises a number of services and activities to support the holistic well-being of the clergy, both active and retired, such as the provision of spiritual direction, counselling, appraisal, on-going formation and practical advice. It organises retreats, ministerial formation days, courses and sabbaticals. It compiles the Supply Registry. It looks after the junior clergy, the overseas clergy and especially the retired clergy. It is the principal mechanism through which the Bishop looks after the wellbeing of the clergy.

### 4.4 Department for Clergy: Chaplaincies

The Sub-Department of Chaplaincies seeks to promote the welfare and support of all the sick, the differently abled, the housebound, the bereaved, the dying, the mentally ill and anyone with special needs across the Diocese, spiritually and practically (e.g. the visually or aurally impaired). It seeks to incorporate them more fully into Christ and His Church so that their gifts can be released and their ministry enabled. The Sub-Department seeks to network, support and incorporate the various ethnic groups of Catholics present in our Diocese for prayer and social gatherings. It facilitates associations of those in special ministry such as prison and hospital chaplains, as well as forging links with military groups, the provision of Other Rites and with the Ordinariate. It also seeks to oversee the provision of liturgical rites in the Extraordinary Form, where these are needed.

### 4.5 Department for Charity: Caritas

The Sub-Department of Diocesan Outreach seeks to promote the charitable life and activities of the Diocese, through the promotion of justice peace and social responsibility, the care of refugees, environmental concern and the work of Caritas Diocese of Portsmouth.

### 4.6 Department for Charity: Bamenda Committee

The Sub-Department of Bamenda comprises a Team that supports, enables, directs and develops the relationship and ecclesial exchange between the Diocese of Portsmouth and the Archdiocese of Bamenda. This includes promoting prayer for one another, practical and financial support for projects, the organisation of exchange visits, the promotion of the link in our schools and parishes, and the sharing of news and information.

#### **4.7 Department for New Evangelisation: New Evangelisation**

The Sub-Department of New Evangelisation is concerned with promoting the new evangelisation through careful research into data and demographics. It also includes ministry to inactive Catholics, encouraging all to a deeper practice of their faith. It includes the coordination of the Diocesan Pastoral Council.

#### **4.8 Department for New Evangelisation: Formation for Mission**

The Sub-Department of Formation for Mission aims to awaken the desire for a personal-passionate love for Jesus Christ within the communion of his Body the Church and thus to encourage and enable active missionary-discipleship. It seeks to establish and develop a network of catechists across the Diocese and to look after their on-going formation. Formation for Mission looks to the catechesis of children and young adults, including sacramental preparation (baptism, confirmation, first holy communion), and adult formation, including the RCIA process and higher education programmes in liaison with tertiary level providers.

#### **4.9 Department for New Evangelisation: Dialogue and Proclamation**

The Sub-Department of Dialogue and Proclamation promotes the mission of the Church *ad extra*, seeking to befriend and engage in dialogue with individuals, groups, and culture in general. This includes the search for deeper unity in doctrine, life and worship with our brothers and sisters in the other Christian communities, a deeper fraternity with our Jewish elders, and interreligious dialogue in its various aspects. The Sub-Department seeks to promote a critical dialogue with the various cultural sectors, a courtyard for discussion with non-believers and better relations with civic persons such as MPs and local government representatives.

### **5. THE FRAMEWORK TEAMS**

#### **5.1 THE FOUR TYPES OF TEAM**

Within the Framework, each Department and/or Sub-Department comprises various Teams. There are in general four types of Team.

##### **5.1.1 Type One Team**

A Type One Team is composed of those who are employees of the Diocese or contracted on terms and conditions determined by the Board of Trustees. Most of these are members of the curia, CASO and DSAS. They respond to their designated line-managers and/or the COO.

##### **5.1.2 Type Two Team**

A Type Two Team comprise volunteers, specialists and support staff appointed directly by the Bishop and/or Bishop's Council. They assist and work under a Director of a Department or Sub-Department. Some of the parameters and procedures for Type Four Teams apply.

##### **5.1.3 Type Three Team**

A Type Three Team comprises 'specialists' who form quasi-professional organisations: e.g. hospital chaplains, the Junior Clergy Group. These Teams, as their names suggest, have a restricted membership, with meetings and programmes designed by themselves for their mutual support and professional development. The Bishop's Council approves their leadership, team-membership and the programme of work they conduct. Each Team includes (1) a chair or convenor, (2) a chaplain, (3) a secretary and reporter, (4) an 'advertiser', (5) a treasurer and (6) a factotum, in addition to other team members.

##### **5.1.4 Type Four Team**

Type Four Teams comprise the rest (and majority) of the Teams within the Framework for Collaboration. These are Teams of volunteers. They meet at least six times per year to pray, to help form themselves and to form others, to discuss and devise policy, to sponsor and enable projects, and to encourage and enable pastoral areas and parishes, the clergy and people at local level, to pursue the task in hand (e.g. activities relating to justice, peace and social responsibility). The Bishop and the Bishop's Council approve membership, appoint the team leaders/chaplains and in some cases designate specific experts and others as team-members. The other members of the Team may be proposed by team leaders/chaplains to the Bishop's Council for approval, and in addition anyone from across the Diocese may volunteer through the team leader/chaplain to the Bishop's Council for

approval and membership. Members are initially appointed for 18 months, and then for three years, subject to appraisal. Team members, unless otherwise indicated, must be over 18 years old and practising Catholics in good standing with the Church. They should be 'mainstream', intellectually, morally and spiritually converted to Christ and his Church, in full communion of mind and heart with the Bishop and happy to work under the general direction of the Bishop's Council. Where possible and practicable, Teams consist of an equitable balance of women and men, of geographical spread across the Diocese, and of age ranges (18-25, 26-40, 41-60, and 61+). Team members are expected to show commitment to their Team, an appropriate level of confidentiality, a genuine desire to practice collaboration within a team-situation, and to work collaboratively with other Teams in the Framework where common projects emerge and other opportunities arise. Each Team includes (1) a chair or convenor, (2) a chaplain, (3) a secretary and reporter, (4) an advertiser, (5) a treasurer and (6) a factotum, in addition to other team members.

## 5.2 SOME OPERATIONAL DETAILS

### **Type One Teams and Type Two Teams**

The members of Type One and Type Two Teams derive their purpose and direction from their Director and from their terms of reference and, in some cases, contracts of employment. The aim is to implement and enable the fulfilment of the Diocesan Vision in relation to the Descriptor for the Department or Sub-Department.

### **Type Three Teams**

Members of Type Three Teams derive their purpose and direction principally from their professional needs in relation to the implementation and fulfilment of the Diocesan Vision. The Vision are seen in relation to the Descriptor for their Team within its Department or Sub-Department. However, what follows next in relation to Type Four Teams is also of relevance.

### **Type Four Teams**

Members of Type Four Teams derive their purpose and direction from their Team Descriptor. The aim is to implement and enable the fulfilment of the Diocesan Vision in relation to the Descriptor for their Team within its Department or Sub-Department. A typical way of work would be as follows:

1. Prayer, formation, study and reflection on aspects of YWBMW. What does this or that passage mean for this field of work?
2. Prayer, formation, study and reflection on the Team Descriptor, unpacking its meaning and relevance, exploring its scope and discussing its implications. Has the Team Descriptor and its scope been clearly understood?
3. Prayer and discernment, study and reflection on the situation, as it presents itself in the personal experience of team-members, and in the life of the parishes and pastoral areas of the Diocese. What is already going on? What is missing or not happening? What constitutes an example of good practice? What constitutes bad practice, and why?
4. Discuss and devise policy and priorities for short, medium and long term. What is our purpose here? What are the most important things that need to be done? What might this Team affirm, encourage and/or facilitate at parish and/or diocesan level in relation to this field of work? What might be done first, then later (e.g. three years), then in long term?
5. Devise and discuss projects (simple, realistic, measurable). Discuss any budget and resource implications. Then, select agreed targets. Ask how? Build a basic project-plan and outline what is required. Forward proposals for approval to (sub-) Departmental Director.
6. Commence implementation of approved policies and projects, advertise work underway and seek prayer, then report on progress made. Plan ahead, resources permitting to next cycle of activity.
