Foreword

The disruption and uncertainty imposed by the pandemic in 2020 has still maintained a shadow over the whole of 2021. With the fluctuations in infection rates, and many of the areas within the Diocese of Salford being among the most affected, it has certainly disrupted any smooth emergence from the pandemic and undermined planning of many of the events that make up our life as a Church.

While grateful for the impact of the vaccination policies, many people have understandably felt cautious about attending any public events, although numbers attending Masses have been slowly increasing in recent months. As we look to 2022, there still remains a good deal of uncertainty and fear.

The pandemic has had a serious impact on parish life and the planning for the celebration of Baptisms, First Communions, Confirmations and Weddings. There has also been the difficult task of assisting people in their time of bereavement, particularly when people have not been able to be with family members and friends in their final days.

Not everything has been negative. We have also been reminded of the importance of maintaining a sense of community in times when it has been difficult to meet together. There have been many initiatives in the parishes that have kept people in touch and made connections with people who would otherwise have been isolated and alone. I would like to thank and commend all those priests, religious and people who have given so generously of their time in extra duties, sharing responsibilities that have been so important for the sense of collaboration, prayer and mission.

As we continue our journey emerging from the pandemic we need to be sensitive to the needs of people who have suffered. There are those who have been bereaved, lost jobs and incomes, suffered mental stress and illness. It is a time when we must show great compassion for those around us whether or not they are members of our church-going community.

I have no doubt that there is much to be learned and we will benefit from engaging with Pope Francis' vision that "everything is connected" and we need a global response to our problems and challenges. The launch of the Universal Synod gives us an invitation to listen to the voice of the Holy Spirit and to discern together the way forward. The damage of Climate Change has become so evident and needs to be a focus for our attention as we prepare our common home for future generations.

There is much to be done to make our world a better place and we all have our part to play. Let us all remember that prayer will guide us and strengthen us as we ask:
"Stay with us, Lord, on our Journey"

PATRONS

I—Our Lady of Mount Carmel (16 July) St Joseph (19 March)

II—St John Apostle (27 December) St Augustine of Canterbury (27 May)

Diocese consecrated to the Sacred Heart on 21 September 1873 and to the Immaculate Heart of Mary on 16 July 1943

BRIEF HISTORY *[Mainly extracts from diocesan website]*

The diocese was erected on 29 September 1850, through a decree signed by Pope Pius IX, as one of the first post-Reformation dioceses in Great Britain. The 1851 census revealed that the diocese had 32 churches and chapels served by 37 priests and around 33,000 Catholics attending Mass.

The story of the diocese is one of rising industrialisation, immigration and universal educational provision. Its expansion runs parallel with the population growth in the region. The first 50 years of its existence saw the number of Catholics in the Diocese increase by almost 90%.

A new century brought with it doctrinal and social change both from governments at home and from the Vatican. Major landmarks in 20th and 21st Century Catholic British history such as the 1944 Education Act and the Second Vatican Council had a considerable impact on life in the diocese and its future.

In 1970, Pope Paul VI canonised 40 English and Welsh Martyrs, including some with connections to the diocese: Saints Edmund Arrowsmith, Ambrose Barlow, John Plessington, John Southworth. More from the diocese were beatified in 1987.

During the visit of Saint Pope John Paul II to Britain in 1982, he celebrated Mass and ordained priests in Heaton Park.

Successive bishops have sought to adapt the structures of the diocese to enable it to best respond to changing demographics and patterns of Mass attendance. Most recently we are invited by Pope Francis to develop Missionary Parishes and make sure we attend to the needs of those who are marginalised in our society.

THE BISHOP
RIGHT REVEREND JOHN STANLEY KENNETH ARNOLD
 Eleventh Bishop of Salford

John Arnold was born in Sheffield on 12 June 1953 and educated by the Rosminians. A graduate in Law from the University of Oxford and called to the bar in the Middle Temple in 1976, he went on to study for the priesthood at the Venerable English College in Rome, gaining both a licence and a doctorate in Canon Law.

He was ordained priest for the Archdiocese of Westminster on 16 July 1983, the Feast of Our Lady of Mount Carmel. After completing his studies in Rome, he served as Chaplain, and later Sub-Administrator, at Westminster Cathedral before becoming Parish Priest at Our Lady of Mount Carmel and St George, Enfield in 1993. From 2001 he served as Chancellor and Vicar General.

On 3 February 2006 he was ordained Auxiliary Bishop of Westminster and Titular Bishop of Lindisfarne. Pope Francis appointed Bishop John as the Bishop of Salford on Tuesday, 30 September 2014. His installation at Salford Cathedral took place on Monday 8 December 2014, the Feast of the Immaculate Conception. It was on that occasion that he introduced us to what has now become a familiar prayer across the diocese: Stay with us, Lord, on our journey.

Bishop John is a member of the Bishops' Conference Department for International Affairs, Chair of CAFOD's Board of Trustees and a Trustee of Caritas Social Action Network. He also leads on Environment issues for the Conference. Those same interests are reflected in his work here in the diocese, particularly with the setting up of the Laudato Si' Centre at Wardley Hall.

In response to declining Mass attendance and a call from Pope Francis for us to be Missionary Parishes, Bishop John announced a restructure of the parishes in January 2017. *'Strengthening our Presence as Church'* outlined a blue print for the diocese that would involve a number of parish amalgamations and church closures, necessary to help sustain the diocese for the future.

Overview

Over the last 2 years our parishes have responded creatively and effectively to the challenges that the pandemic threw our way. During lockdowns, restrictions and the re-opening of the churches, we saw parishes use technology and more importantly their people to continue to serve their parishioners.

Many positive stories of virtual Masses, coffee mornings and the restoration of church bells have been shared on our website. These stories are evidence of the dedication and commitment of our parish priests and volunteers who have responded to meet local needs and crises during the pandemic. Their actions show the integral nature of our parishes in our communities. We continue to rely on our volunteers to help us safely keep our churches open and their support is invaluable.

The major events we have recently faced have made us all sit back and refocus, as individuals, families, parishes and organisations. This is a process we have also undertaken in forming our planning of our journey as a diocese to 2030. This renewed focus will enable us to build on the developments and foundations we have established over the last few years to help create a diocese, parishes and communities that are fit for the future, with the resources and adaptability to respond to changing demands of the next decade.

Our diocesan journey will be focused on:

- Enhancing our support to our Parishes and Schools to help them deliver their mission
- Building on our responsibility to our communities and our common home
- Our Commitment to support our clergy

Alongside this planning, our diocesan synod will allow the voices of our parishioners and priests to be heard and for their priorities and wishes for the diocese to be fed into this process. By planning our roadmap for 2030 we will help adapt, build and sustain the diocese for the future, anticipating the needs of future generations rather than responding to our past.

Hope In the Future

Over the past year, we have been reflecting on the challenges and opportunities presented by the pandemic and working hard to rebuild our parish communities. For that reason, we took the decision to pause our Hope in the Future Journey.

Now as we move towards the end of 2021 we felt that our parishes were ready to join with us and start to celebrate all that is good in our communities. We launched Stage 4 of Hope in the Future on 3rd October with a Holy Hour, led by Bishop John.

In this Stage, we will be focussing on 'Proclaiming the Good News', reflecting on how we can develop links between our schools, parishes and families and how we can help those who come into contact with our parishes, through the celebrations of baptisms, weddings, funerals, RCIA, Christmas and Easter Liturgies, to experience the Good News of Jesus Christ.

In the Great Commission Jesus tells us 'Go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you and behold, I am with you always, to the end of the age.' (Matthew 28:16-20). We have been given our mission which may seem difficult at times, but we have the promise of the Holy Spirit who is with us on our journey.

During this Stage, priority will be given to Evangelisation. Let us find creative ways of presenting the 'great story of Jesus', the saving work of Jesus' life, death and resurrection and what it means for us personally. Could we provide opportunities for people to encounter the Holy Spirit through prayer groups, retreats and parish missions? Do we see those who come into our churches for baptisms, weddings, funerals, sacramental programme and at Christmas and Easter as a burden or as providing opportunities for evangelisation?

Resources and formation days will be provided to help ensure our sacramental preparation is the best it can be. Each one of us in our parishes have a role to play in this by praying and accompanying candidates. As local groups of parishes and as deaneries let us work together to provide preparation for the sacraments and ongoing formation, sharing good practice and resources.

As with the other stages, some parishes may not be able to start just yet, but the resources will be available online when the time is right for them.

Finally, we need to accept that we live in different times and that what may have worked in the past may no longer work. We shouldn't feel guilty that members of our families no longer practice their faith but continue to pray for them, inviting them to encounter the Lord and leaving the rest to him. May we be prepared to be outward facing, joyful, courageous ambassadors of Christ bringing his Good News to those around us.

Unique and vital moment

2021 provided us with a unique and vital moment in the fight for environmental change. Weekly we are seeing more and more evidence of the irreversible damage that climate change is having on our common home. Over a relatively short space of time we have seen forest fires, floods and deadly hurricanes devastate different parts of the world.

Around our world severe and long-term droughts, floods, rising sea-levels and extreme record-breaking temperatures are clear evidence of the damage that our actions and our way of life are inflicting on our world. These events have affected millions of people, most often in the poorest countries of the world and people who have done least to damage our environment.

The UN's Intergovernmental Panel on Climate Change declared a "code red" alert for humanity ahead of November's COP 26 conference, and our response to the "cry of the earth and the cry of the poor" became more urgent.

But it is not too late for action. The awareness that the COP 26 gathering gave to the challenges we face, encouraged our voices to unite and look at ways we can take the call for action back to our parishes, schools, and communities to create a different legacy for the next generation.

In Salford one of the ways we are responding is the Laudato Si' Centre, which will help Salford lead the way in educating, informing and inspiring people on ways they can heal and care for our common home.

The land, woodland and unused buildings on the estate of Wardley Hall allows us to provide a space that will help people to learn how they can take practical action to tackle climate change and work towards a sustainable world.

Since the launch of the project we have come a long way!

There are now more than 60,000 bees living across four hives in the walled garden. We are grateful for the support from Manchester and District Bee Association. The hives are going from strength to strength, and we have even won prizes for our honey!

The walled garden is the first part of the project to be worked on and now houses polytunnels, a greenhouse, an outdoor classroom (which has been built using eco-bricks made by parishioners) and an accessible surface to provide access for all. The next few months will see the construction of raised beds.

A wildlife meadow and forest garden have been planted and we are working to monitor the wildlife activity in the local area.

Planning permission for the first building phase of the Laudato Si' Centre was approved in January 2021 and plans are moving forward.

Throughout this process we have been supported by fantastic volunteers who have given up their time and expertise to get us started.

But throughout this we have also witnessed parishes and schools begin their own Laudato Si' journeys. Parishes like the Nativity in Failsworth and Limeside which is home to the Bee Together Community Garden, a small space behind Holy Family Church that has been transformed from an overgrown, unused space into a hub of environmental activity.

After seeing a need to provide mental health support for individuals during the pandemic, as well as the need to take further action to care for the environment, the parish took inspiration from Pope Francis' encyclical Laudato Si' and began work on a community garden.

In just a small amount of time, the Bee Together Community Garden has become a flagship example of how nature can inspire community spirit, nurture individual wellbeing, and support sustainable living and it is only just one example of the fantastic work that is happening all around our diocese.

We want more parishes, schools and individuals to join us on our environmental journey. To assist us, to work together, we have developed a new environmental programme. 'For the Beauty of the Earth' is a diocesan year-one programme, that has been developed to support us as we put our faith in action to heal and care for our common home, as an expression of our commitment to love God through loving and caring for creation and one another.

It has been informed by the good work already happening across the Diocese and several engagement activities carried out during 2021 via meetings and surveys. This programme will support us as we work to protect the beauty of God's gift of creation and help us on our journey of conversion as we see that everything is connected.

The programme is for everyone. We will use our understanding and voice to influence through Diocese-wide activities and communications, curial policies, activities at the Laudato Si' Centre, parishes and schools. Working together we can make a difference in our own lives, our communities, and the wider world.

Throughout 2022 there will be further engagement and opportunities to respond and feed into the September 2022 '**For the Beauty of the Earth**' update, which will include a 2030 vision supported by a three-year action plan.

Caritas Diocese of Salford

Caritas Diocese of Salford – The principal social action agency for charitable work in the Diocese

The Covid pandemic has dominated everyone's way of life. As we emerge from the worst restrictions, it will take much longer to repair the damage done to so many people's lives and livelihoods. While for some people, the pandemic has just imposed inconvenience and demanded adjustments to ways of living, for all too many it has imposed life-changing problems and challenges. In those difficulties, Caritas Salford will be present to provide a practical response and support lasting change.

The wide range of Caritas activities - supporting children and families, the poor, marginalised and those affected by migration and isolation – continued throughout the lockdown periods. Caritas staff and volunteers responded with energy and commitment, providing essential practical help to those we serve in our communities, as well as accompanying and supporting people as they take transformative steps out of poverty, homelessness or particular challenges.

Understandably, as would be expected in these unprecedented times, Caritas' financial resources and people have been under strain as they seek to welcome, protect, promote and integrate those on the margins of society. Many of our planned fundraising events had to be cancelled. However, through the heroic example and dedication of our staff, volunteers and supporters in our communities, we have continued to maintain and expand services and to develop local action across our parishes and schools.

The work of Caritas, as the practical expression of Catholic Social Teaching, has been quite remarkable, made possible by the generosity of so many organisations and private individuals both in their doing and their giving.

The pandemic has also provided some constructive opportunities. In particular, it has accelerated co-operation and new relationships with statutory providers like Local Authorities.

Our impact

Caritas Salford provides a diverse range of services supporting children and families, people experiencing homelessness or isolation, refugees and asylum seekers, those with disabilities or the elderly experiencing isolation. Our Impact Report for 2021 will be published early in 2022. In the meantime, you can read more about our work responding to emergency need and supporting human development by visiting:

Emerging from the pandemic – our new strategy

In December 2020, partly in response to some of the issues raised during the pandemic, we began a review of our long-term strategy. This was concluded in June 2021 and includes refreshing and updating our vision, mission and values, which are set out below. The new strategy will seek to provide a greater balance within the organisation between the practical services that we deliver, supporting the formation and training of people in Catholic Social Teaching and how to deliver practical social action in our communities. This will be coupled with increased development of our capacity to look at the social problems and needs across the 13 local authority areas where we work, and support greater advocacy work to campaign for lasting social change.

The end of this review also coincides with the retirement of our long-serving Director, Mark Wiggin, who has worked tirelessly for 11 years in the service of Caritas for those affected by poverty, forced migration and isolation. We are immensely grateful for his contribution as the first Director of our Diocesan Caritas and for establishing the collaboration and partnerships that are essential to highlighting the dignity of the human person and concern for the poor. After a successful recruitment process, we are pleased to appoint Patrick O'Dowd, until now the interim Deputy Director and formerly the Director of Administration and Personnel in the Diocese, as Mark's successor.

At the time of writing, we are restructuring the organisation to deliver the strategic goals of providing credible, visible and sustainable services, supporting the mobilisation of local parish and community action through formation and animation, and advocate for social change.

If you would like to support the ongoing work of social action in Salford Diocese and to make a donation, please visit <https://www.caritassalford.org.uk/donate-3/> or if you would like more information about organising a fundraising event or how to leave a gift in your Will, please contact Rachel Taylor r.taylor@caritassalford.org.uk

Christmas, 2020 – Staff and volunteers prepare to distribute food packs for people experiencing homelessness or isolation on Christmas Day.

Society for the Protection of Unborn Children (SPUC)

The principal aims and objectives of SPUC are:

- To affirm, defend and promote the existence and value of human life from the moment of conception until natural death
- To defend and protect human life generally and in particular, whether born or unborn
- To defend, assist and promote the life and welfare of mothers during pregnancy and of their children from the time of conception up to, during and after birth.

SPUC pursues these aims through engaging in political lobbying and campaigns, educating young people and the public, publishing academic research, fighting legal battles, and through other forms of pro-life work. The mission of the Society of the Little Flower is to promote devotion to St. Thérèse of the Child Jesus, Carmelite Nun and Doctor of the Church. Through prayers and donations, friends of St. Thérèse enable Carmelites to continue her "Shower of Roses" in their ministries throughout the world and in the education of young Carmelites.

The generous donations raised by members of the Society and distributed through the Carmelite Curia in Rome have supported projects in countries such as Kenya, Cameroon, the Philippines, Indonesia, China, East Timor, Mozambique, Peru, Brazil and Vietnam.

A Mass Sheet for everyone

redemptorist
publications

Every week, in parishes throughout the UK, people are reading one of our weekly sheets. Some of these have been published for over thirty years, and we're very proud that Catholics and other Christians find they are a very easy way to make a meaningful connection with the Lord.

Many parishes buy them and print their own local news on the reverse, so you have information and inspiration in your hand, every week.

Visit www.rpbooks.co.uk
to see our full range

Childrens Sheets too!

CAFOD

CAFOD (Catholic Agency for Overseas Development). We are an international development charity, the official aid agency of the Catholic Church in England & Wales and part of Caritas International. At CAFOD, our mission is to work alongside the world's poorest people. We work without prejudice, we don't preach, and we pride ourselves on our diversity. We believe our Catholic values are best shown through our love for others, and by working for justice and an end to poverty. CAFOD's vision, mission and values draw directly from Catholic Social Teaching, Scripture, Liturgy, the Gospel and the tradition of the Church. Catholic Social Teaching is at the heart of what we do and who we are. We are part of a Church network with a local presence in 165 countries and territories. As one of the largest aid networks in the world, by mobilising the power of the Catholic community in England & Wales we can help people in remote areas, in war zones and who are discriminated against. The Church often reaches the poorest people, in areas where social care and government structures aren't so strong. To find out how you can make a difference, contact us in Salford Diocese:

Catholic Charismatic Renewal

0161 226 1730

What became known as Catholic Charismatic Renewal began nearly 50 years ago. Since that time, over a hundred million Catholics worldwide would highlight a renewed experience of their faith in the context of the CCR. At its core, the experience of all of these people would be that they recognised their own inability to lead a full and fired-up Christian life by their own efforts, and invited the Holy Spirit to do it on their behalf! At that moment, CCR would say they experienced the 'Baptism in the Holy Spirit'. This 'Baptism' is not a one-off moment. Like leaking buckets, we constantly need to be re-filled, and remain open to the water of the Spirit. This disposition can be described as living 'Life in the Spirit'.

Equestrian Order of the Holy Sepulchre of Jerusalem

The historic origins of the Order now remain obscured by time. However an ancient tradition can be identified of Knighthood being conferred at the Holy Sepulchre following the Crusades. Over time, tradition evolved, in which forms of papal patronage were extended to those who defended the Church in the Holy Land.

The modern Order was established in the nineteenth century by Blessed Pius IX, who mandated it to support the revived Latin Patriarchate of Jerusalem. Today, members of the Order, lay and clerical, live its mission by striving to realise their personal spiritual development and helping to sustain the Patriarchate and its peoples financially.

Legion of Mary

0161 225 0227

A world-wide apostolic organization for men and women, normally parish-based. The primary work of the Legion of Mary is that of the Church - to evangelize. Active members meet weekly to pray together, learn more about the faith and organise work visits in the parish under the direction of the parish priest, all in union with Our Lady. Coming together in this way helps members to discover and deepen the joy of the Gospel message. It builds a sense of community and inspires greater confidence and enthusiasm for living and sharing the Gospel message with others. In their work, members invite others to become active in parish life, gently encourage those who have lapsed to return to the practice of their faith, and invite those outside the Church to discover the treasures of the Catholic Faith. They also visit and support isolated members of the parish community. Auxiliary members do not undertake active work, but support the work of the Legion of Mary by a commitment to prayer.

Marist Way

01642 814486

The Marist Way is the lay branch of the Marist Congregation, bringing together people who wish to participate in the life and mission of the Church in the 'Spirit of Mary' a way envisaged by Jean-Claude Colin, founder of the Marists- Priests, Sisters, Brothers and Laity. Marists endeavor to think, feel, judge and act as Mary did, at Nazareth and at Pentecost all Marists believe that Mary maintains a special interest in bringing the woman and man of our time into contact with her Son, Jesus. They feel called to share in this concern of Mary's and to become part of her family to work on her behalf. The term 'The work of Mary' describes this essentially missionary spirit. Marists adopt a 'low profile' approach, always having a great respect for others. Being 'hidden and unknown' in the world is the Marist way - being personally unnoticed whilst doing great good for others.

Stella Maris

020 7901 1931

Stella Maris (Apostleship of the Sea) is the official maritime agency of the Catholic Church in Great Britain. Stella Maris is a registered charity (No 1069833) reliant on the annual Sea Sunday appeal and donations to sustain its ministry. Ninety percent of world trade is carried by ship, however, seafarers and fishers often work in dangerous conditions suffering loneliness, deprivation and even exploitation. Stella Maris deploys chaplains and ship visitors who welcome merchant seafarers and fishers to our shores and provide for their pastoral and practical needs - regardless of creed or nationality. Catholic seafarers and fishers are also given the opportunity to receive the sacraments. In addition, Stella Maris provides chaplains on board cruise ships, works to maintain seafarers' centres inside ports, and collaborates with industry bodies to speak up for seafarers' and fishers' rights. Stella Maris relies on a network of valued contacts and volunteers to sustain its development. If any parish would like to hear more about offering prayer, volunteering or financial support to help the work please email us.

The Catenian Association

0161 653 2090

Founded in 1908 in Salford Diocese it is now established internationally. It is a Catholic mens' association, but our ladies are an integral part of the organisation. Groups (Circles) meet on a monthly basis and every meeting starts with prayers and is followed by a varied social programme. We are not a Catholic Action group but very much a group of active Catholics. We are not a fund-raising organisation, but do raise money for various charities. Our Bursary Fund enables young Catholics aged 16 - 25 to engage in community projects mainly overseas and also helps young helpers on either the Diocesan or HCPT pilgrimages to Lourdes. There are also public speaking contests for sixth-form students from Catholic colleges which culminates in a national final. Support is also given to Diocesan youth activities and university chaplaincies. The Association helps to support the National Vocations and local vocations initiatives. For further information please contact Phil Brown on the details below.
