**Diocesan Almanac
2023**

**Help transform lives so people facing poverty and disadvantage can live in dignity.
Leave a legacy in your will today.**

Many of us don't want to think about making a Will, but letting those closest to you know your wishes is vital.

Did you know that leaving a legacy to charity in your Will:

- ✓ Is a charitable gift that costs you nothing at all today?
- ✓ Doesn't need to be a significant amount?
- ✓ Can make a significant difference, even when just **1%** is left to a charity after your loved ones have been provided for?
- ✓ Is a straightforward process, that doesn't take much time?
- ✓ Can help transform the lives of people in our local communities? Now, that's certainly a lasting legacy.

**When the time is right for you,
please consider remembering Caritas Salford.**

Foreword

The Covid pandemic was never likely to simply finish and be over and done with. It has lingered on with new waves of infection and certainly there have been many unforeseen consequences and difficulties. Everyone has been affected in some way, through illness, bereavement, loss of employment or impact of poverty. Of particular concern has been the effect on the mental health of so many of our young people whose education and social communication has been so disrupted. This has coincided with the repercussions of the Russian invasion of Ukraine, where there has been appalling destruction of life and property, with the impact on energy and food supplies affecting Europe and a host of nations further afield. These are critical times and, even if political policies are clearly defined and adopted, many people will be adversely affected for years to come.

We are so fortunate, at this time, to have the prophetic voice of Pope Francis, guiding us in the hope of the Gospel. We must recognise that our many areas of concern are all connected, that we all have our part to play, and we must think globally if we are really to express a practical concern for our brothers and sisters and our common home. Our young people are particularly concerned for their future, in the light of the increasing damage of climate change and the overwhelming evidence of the global warming which is affecting millions of people in every continent.

Pope Francis is asking us to return to the foundation of the Gospel message – to love God and to love our neighbour. That is already expressed in so much of our missionary outreach. It is being developed and encouraged in our Hope in the Future campaign, which has now launched its final Stage 5 which is principally concerned with our practical impact of our communities for the benefit of those in need. There must be an insistence that we are “missionary disciples”, and we must consider what that must mean in practical everyday actions and decisions.

Let us use the coming year to reflect carefully on our individual and community response to see what priorities we must have to be Church, the Body of Christ, in the world in which we live. We have taken part in the first part of the Universal Synod, called by Pope Francis. We must continue that “prayerful listening” here in the Diocese of Salford to discover what God may be asking of us in these days, and to recognise the opportunities that He gives us at this time.

We must journey together with hope, and it is very fitting that we employ our diocesan prayer: “Stay with us, Lord, on our Journey”. God bless the people of this Diocese that, in hope and with the guidance and strength of the Holy Spirit, we may achieve all that is asked of us in our mission.

PATRONS

I—Our Lady of Mount Carmel (16 July) St Joseph (19 March)

II—St John Apostle (27 December) St Augustine of Canterbury (27 May)

Diocese consecrated to the Sacred Heart on 21 September 1873 and to the Immaculate Heart of Mary on 16 July 1943

BRIEF HISTORY *[Mainly extracts from diocesan website]*

The diocese was erected on 29 September 1850, through a decree signed by Pope Pius IX, as one of the first post-Reformation dioceses in Great Britain. The 1851 census revealed that the diocese had 32 churches and chapels served by 37 priests and around 33,000 Catholics attending Mass.

The story of the diocese is one of rising industrialisation, immigration and universal educational provision. Its expansion runs parallel with the population growth in the region. The first 50 years of its existence saw the number of Catholics in the Diocese increase by almost 90%.

A new century brought with it doctrinal and social change both from governments at home and from the Vatican. Major landmarks in 20th and 21st Century Catholic British history such as the 1944 Education Act and the Second Vatican Council had a considerable impact on life in the diocese and its future.

In 1970, Pope Paul VI canonised 40 English and Welsh Martyrs, including some with connections to the diocese: Saints Edmund Arrowsmith, Ambrose Barlow, John Plessington, John Southworth. More from the diocese were beatified in 1987.

During the visit of Saint Pope John Paul II to Britain in 1982, he celebrated Mass and ordained priests in Heaton Park.

Succesive bishops have sought to adapt the structures of the diocese to enable it to best respond to changing demographics and patterns of Mass attendance. Most recently we are invited by Pope Francis to develop Missionary Parishes and make sure we attend to the needs of those who are marginalised in our society.

THE BISHOP
RIGHT REVEREND JOHN STANLEY KENNETH ARNOLD
 Eleventh Bishop of Salford

John Arnold was born in Sheffield on 12 June 1953 and educated by the Rosminians. A graduate in Law from the University of Oxford and called to the bar in the Middle Temple in 1976, he went on to study for the priesthood at the Venerable English College in Rome, gaining both a licence and a doctorate in Canon Law.

He was ordained priest for the Archdiocese of Westminster on 16 July 1983, the Feast of Our Lady of Mount Carmel. After completing his studies in Rome, he served as Chaplain, and later Sub-Administrator, at Westminster Cathedral before becoming Parish Priest at Our Lady of Mount Carmel and St George, Enfield in 1993. From 2001 he served as Chancellor and Vicar General.

On 3 February 2006 he was ordained Auxiliary Bishop of Westminster and Titular Bishop of Lindisfarne. Pope Francis appointed Bishop John as the Bishop of Salford on Tuesday, 30 September 2014. His installation at Salford Cathedral took place on Monday 8 December 2014, the Feast of the Immaculate Conception. It was on that occasion that he introduced us to what has now become a familiar prayer across the diocese: *Stay with us, Lord, on our journey.*

Bishop John is a member of the Bishops' Conference Department for International Affairs, Chair of CAFOD's Board of Trustees and a Trustee of Caritas Social Action Network. He also leads on Environment issues for the Conference. Those same interests are reflected in his work here in the diocese, particularly with the setting up of the *Laudato Si'* Centre at Wardley Hall.

In response to declining Mass attendance and a call from Pope Francis for us to be Missionary Parishes, Bishop John announced a restructure of the parishes in January 2017. *'Strengthening our Presence as Church'* outlined a blue print for the diocese that would involve a number of parish amalgamations and church closures, necessary to help sustain the diocese for the future.

Overview

As we continue our journey emerging from the pandemic, learning the long-term effects, we are also challenged with a cost-of-living crisis. Let us all remember to be sensitive to the needs of those in our parishes who may need extra compassion as we journey together in this ever-changing world.

As we were able to gather in large numbers again, we saw a successful return to the calendar of a number of diocesan events. We held our first in person Chrism Mass for two years and the cathedral was full of priests and parishioners from across the diocese. Traditionally it is a celebration of the priesthood and Bishop John took the opportunity to address the clergy in his homily, paying tribute to the hard work and dedication of our priests during the pandemic, but warned that work must still be done to achieve peace and justice in our world.

As part of the diocesan commitment to justice 2022 saw the launch of the diocesan statement on Modern Slavery. Launched on the Feast Day of St. Josephine Bakhita, who was kidnapped and sold into slavery at the age of seven, the diocesan statement is an important step in our commitment to tackle modern slavery. The initial focus of work is on creating a code of conduct for all suppliers and raising awareness in our parishes. Working closely with Caritas we aim to ensure that our churches are places of sanctuary and refuge.

Providing a place of refuge was a focus for our environmental work this year, as the Laudato Si' Centre opened its gardens to groups needed to find space to heal and flourish. Regular groups to the centre included a refugee gardening group, a climate anxiety group, as well as lots of school and parish groups. The centre finished the year with monthly talks on women, saints, and spirituality, looking at the life of women throughout the history of the church.

The bees remain an exciting focal point to all visitors to the walled garden and they are thriving within the blossoming garden which is now home to fruit trees, polytunnels, raised beds and a willow sculpture. The willow sculpture is a hit with our school visitors where it is used as a visual reminder of the connection between home, parish, school and our common home.

The common home provided a theme for our second eco summit held in July, where students from secondary schools across the diocese met to share ideas and solutions to tackle some of the biggest environmental challenges we face today, and to help instil a culture of hope and agency within our communities. The summit comes on the back of a dynamic programme from the Guardians of Creation project – a nationwide Catholic-based initiative led by some of the most inspirational environmentalists in the UK and being piloted here in our diocese. This programme invited students from across the area to learn more about the environmental challenges we face, the call of the Catholic Church to care for our common home, and to use scientific and technological knowledge to explore sustainable solutions.

The summit was one of a series of events that showcased our impressive young people this year. We were delighted that our pilgrimages could return and the first to take place was our diocesan youth pilgrimage to Walsingham. Young people from academic years 7, 8, and 9 led the way as they journeyed to Walsingham on ahead of the main pilgrimage. On the journey they learned about the history of Walsingham and its significance to our faith life today. The next morning, the youngsters were up bright and early as they made their own procession along the Holy Mile, praying The Rosary along the way, to enjoy some quiet time at the Catholic Shrine before joining the main diocesan pilgrimage.

The return of both our Walsingham and Lourdes Pilgrimage proved to be a great success with hundreds taking part. We look forward to them becoming a regular part of diocesan life again. Next year we also have the opportunity to take part in World Youth Day in Lisbon and cannot wait to hear all about it from the young people already signed up to take part!

2022 proved to be a year of great significance for the Cathedral. Work got underway on our restoration programme. The project will take place in 2 phases, external and internal. Phase 1 of Salford Cathedral's Restoration Project is expected to last until April 2023. This work will

involve a complete re-roof, the re-pointing of the stonework and other masonry repairs, as well as remedial works to the tower and spire. During the initial part of phase one, the Cathedral will remain open. The Cathedral will then close in Spring 2023, for the start of the phase two works, which will involve the restoration of the Cathedral's interior. During this second phase, services at the Cathedral will be accommodated in a temporary church, located in the cathedral gardens. The main aim of the Cathedral Restoration Project is to conserve the mother church of our diocese, renewing its exterior and interior, ensuring that the cathedral is fully sustainable and a source of spiritual inspiration for future generations. Large parts of our cathedral are in extremely poor repair. This is the right time to fix these and restore some of the original design features that have been lost over the years and enhance what we are able to offer the diocese and cathedral parish. These repairs will be performed using sustainable materials and methods. The re-ordering, repair and restoration project will not only restore Salford Cathedral's heritage and sense of sacred space but will maximise capacity for the growing community and visitors alike.

In September the Cathedral was the host for the visit of the relics of St Bernadette. During the two days that we hosted the relics, thousands of people of all ages queued outside the Cathedral to pray before the remains of a much-loved saint.

Described as a once-in-a-lifetime visit, the relics rested in our cathedral for two days, as they made their way across England, Wales, and Scotland for the first ever time. During the visit, people attended the cathedral during a series of open visits, services, and Masses, leaving standing room only as pilgrims flocked to share in this rare experience. From the full ceremony of packed-out Masses to humble night-time vigils for private prayer, our diocese was truly blessed to be part of this unforgettable experience.

As we look forward to 2023, we hope to continue to see our churches full of the joy and enthusiasm that the visit of the relics brought. One event that is rarely celebrated in these times is ordination, whether to the diaconate or priesthood. It was very encouraging to see the ordination in 2022 of four men to the permanent diaconate and we give thanks to them for stepping forward as the first to be ordained for this ministry in this Diocese. 2023 will see only one priestly ordination. While we have a small number of candidates in formation, it is important that we look to every parish to promote prayer for vocations to the priesthood, permanent diaconate and religious life. We ask that all parishes in the diocese continue to pray for vocations.

Welcoming our new deacons

In 2022, we were delighted to celebrate the Ordinations of four men to the Order of the Deacons.

Damien Buggie, William Lee Davies, Davie Nalikata and John Walsh were joined for this celebration by priests from across the diocese, as well as the friends, family and personal connections, to welcome them into the diaconate.

The joyous ceremony was celebrated by Bishop John, who highlighted that these men stepped forward to be the first of a new generation of deacons in our diocese.

He gave thanks to them and acknowledged that as we navigate our way in a changing Church, he can't say where their journey will take them, but he was hopeful that they would take on the challenge to express their ministry in different ways.

Finally, the new deacons were met with a challenge from Bishop John to help him shape the diaconate now and in the future.

Please join us in praying for our new Deacons, Damien, William, Davie and John as they continue their journey of formation in the Diocese of Salford.

Frequently Asked Questions about the Diaconate

What is a deacon?

Deacons have been members of ordained ministry since the earliest beginnings of the Church and are called to serve the people of God through the ministries of liturgy, word, and charity.

There are two types of deacon: permanent and transitional. Permanent deacons are ordained into the diaconate with the intention of remaining in that role, whilst transitional deacons are usually seminarians in the last stage of training before being ordained into the priesthood.

How is a deacon different to a priest?

While priests are called to reflect the work of Christ the High Priest, deacons are called to reflect Christ the servant. Both are ordained ministries and have some of the same liturgical functions, but their roles are very distinct. Only priests can consecrate the Eucharist in the celebration of the Mass, offer absolution in the Sacrament of Reconciliation, and anoint the sick.

A deacon also leads a very different life outside his vocation. A deacon can be married and have a family, as well as having a separate job outside the Church.

What does a deacon do?

A deacon performs a number of liturgical duties within a parish. Deacons assist priests at Mass by proclaiming the Gospel, preaching the homily, and serving as ordinary ministers of the Eucharist.

Deacons can also baptise, witness marriages, and preside at funerals or burial services. They may also be called upon to lead the celebration of the Liturgy of Hours, Eucharistic Adoration, and benedictions, and offer blessings in the name of the Church.

Can a deacon be married?

Deacons can be either married or unmarried, but an unmarried man may not get married after being ordained.

A married man looking to become a deacon must be able to demonstrate a stable marriage and family life. A man's wife must give her consent and support for him to take on the ministry. It is also important that children should not be negatively impacted by their father's commitment to the ministry.

How are deacons assigned?

Just like priests, deacons are assigned to parishes and tasks by the bishop, according to the

needs of the diocese. Usually, a deacon will be assigned to a parish close to his home. However, he may also be required to take on ministry – such as providing pastoral services in hospitals, prisons, nursing home etc. – outside that parish.

Are deacons paid?

No. Vocations to the diaconate are not paid positions and are instead taken up on a voluntary basis. Deacons will often have work outside their vocation to support themselves and their families financially.

Are deacons an answer to the growing shortage of priests?

Although there are some shared duties between priests and deacons, the unique calling of each is very different. The role of deacons could help alleviate some of the heavy workload of priests, but healthy numbers of each are crucial to the life of the Church.

How do you become a deacon?

If you are interested in becoming a deacon, your first port of call is to speak to your parish priest, or to contact our vocations promoters for the permanent diaconate:

Hope in the Future journey

Throughout Stage 4 of our Hope in the Future journey, we reflected on 'Proclaiming the Good News', reflecting on how we can develop links between our schools, parishes and families and how we can help those who come into contact with our parishes to experience the Good News of Jesus Christ.

This year as we embark on the fifth and final Stage of Hope in the Future, entitled 'Sharing the Hope', we turn our attention putting our Faith into action through caring for those most in need in our local area and caring for our Common Home.

Our parishes already make an enormous contribution to the local community. This has been shown greatly during the difficulties of the last few years. In these unprecedented times there were many initiatives in the parishes that kept people in touch and made connections with people who would otherwise have been isolated and alone.

The Fifth Stage which launched on October 4th places an emphasis on building on this existing outreach and resourcing and providing new opportunities for the parish to be a beacon of hope within the local area.

To reflect this, this year's launch took place with representatives from our many Catholic charities that do such vital work in the area. Those who attended were able to take inspiration and practical tools back to their parishes.

It is our hope that this Stage is an opportunity for individuals, parishes, schools and deaneries to learn more about the needs in their community and then to prayerful discern how best to respond, with the resources available to them.

When Jesus was asked which is the greatest of all the commandments, he replied, 'you must love the Lord your God with all your heart, with all your soul, with all your mind and with all your strength and you must love your neighbour as yourself' (Mark 12:30-31). Jesus makes it very clear that our Faith and good works must go together.

Pope Francis reminds us that everything is inter-connected and as Missionary Disciples we have a duty to respond to the cry of the earth and the cry of the poor. This Stage brings together the themes of Missionary Discipleship, Accompaniment and Synodality.

As we approach the end of this journey, we now have a programme that has resources for parishes wherever they are at this time. Some parishes may have started Stage 5, others may just be looking to get started. For more information wherever you and your parish are please email hope@dioceseofsalford.org.uk or call 0161 817 2214.

“Give Us, O Lord, A Listening Ear”: The Universal Synod in Salford

In October 2021, the Universal Synod began. The Synod is themed: “For a Universal Church: Communion, Participation & Mission”. Following on from his invitation in 2013 for us to become “missionary disciples”, Pope Francis began a process of reflection, listening and honesty that will culminate in 2023 with the Synod of Bishops in Rome; there they will discern the implications of the synodal research submitted by dioceses across the world.

“Synod” means to “journey together” – it’s a serious call for us to consider whose voices are heard in our faith, who lies on the margins and who is excluded altogether. With this in mind, the Diocese of Salford launched our stage of the Universal Synod at the beginning of Advent 2021. Detailed questionnaires were shared with parishes across the diocese. There were opportunities for participants to contribute their thoughts individually and as groups. Over 1200 people took part, with responses across all age groups; from parishes, schools, vulnerable people, the deaf community, and more. Significant effort was expended by the Synod Team to maintain a fair, unbiased listening ear, with all opinions being treated with respect and given weight. The Main Themes

A great variety of reflections were shared with us, which were distilled into several major recurring themes. These themes are summarized below:

The Pandemic and the Response to it in Parishes: Responses were fairly evenly divided between those who felt parishes had handled matters well and those who felt strongly otherwise.
Personal Faith and lives of prayer: Respondents placed prayer at the heart of their lives of faith. One said, “teach us how to pray”; another said they were “hanging on to their Catholicism, only their own prayer life kept them going”; several said more help is needed to deepen lives of prayer.
Young People: The need to truly reach out to and listen to young people and to give them chance to lead was strongly stated.

Women: The under-appreciation of what women have to offer the Church was a common theme. Most responses, from both men and women, strongly expressed that that the Church is not adequately listening to the voices of women.
Listening, Communication, and Collaboration: Most respondents felt that, although they were cared about and cared for, they were not listened to. This lack of listening, it was suggested, is found on all levels of Church life.

Hierarchy, Clergy, and Church Structures: A popular topic was a sadness at the ‘inaction’ of the implementation of Vatican II and the unfolding of its treasures. Concern was also expressed about the ‘new clericalism’. The work-life balance and support for the mental and physical health of the clergy needs to be addressed.

Marginalisation: Some expressed a need for practical support from the Church. Many respondents felt the following are especially marginalised and their voices need to be heard: women; youth; LGBTQIA+, migrants and refugees; divorced people.

Liturgy and Worship: Prayer and Mass are great sources of nourishment, wisdom, courage and formation. There was a sense from people attending Latin Mass, that they are being marginalised. There was also a plea to simplify the Mass to appeal to young people, lapsed Catholics and other denominations.

What do I discern the Holy Spirit is asking of the Church? This question had an incredible variation of responses tackling all of the subjects above and more. If you’d like to read a detailed account of the researchers’ findings, please visit <https://www.dioceseofsalford.org.uk/faith/synod/>. The Universal Synod has been a crucial opportunity for the People of God across the Diocese of Salford to share what the Holy Spirit is saying to them. It has challenged us to think differently about how we listen to others who may not share our views. As we take this attitude forward into our upcoming Diocesan Synod, we pray, as one respondent did: “Give us, O Lord, a listening ear!”.

Caritas Diocese of Salford

“People showed us humanity between friends and neighbours...Life was harder before, here there is safety, humanity, support.” Person accessing Caritas Salford’s services

It is often hard to put into words the impact of the activities of our charity, Caritas Salford, on the lives of people across the diocese.

The teams who run services to support local people across Greater Manchester and Lancashire hear many stories – the woman returning to say thank you, previously a resident at a Caritas parent and baby unit who was enabled to find education, training and secure employment to support her young family; the man forced into homelessness by a landlord suddenly evicting him who is now receiving support for his mental and physical wellbeing, and is in the process of finding a more permanent home to call his own.

These are not isolated stories. In the last year, the charity’s 103 staff and 263 volunteers supported thousands of people in our diocese from vulnerable communities, empowering them and seeking to reduce poverty, disadvantage and discrimination.

The work of Caritas Salford is arguably more important than ever. Emerging from the pandemic and into a cost-of-living crisis, alongside the urgent need to respond to emerging crises from around the world such as Afghanistan and Ukraine, has meant a significant increase in demand for support from many people from local vulnerable communities.

Coupled with the increased pressures associated with running a charity during a difficult economic time, as donations and fundraising support become challenging and everyday costs of running services increase, have certainly brought difficulties.

But, despite these challenges, the Caritas Salford team has seized the opportunity to review and transform ways of working to ensure services can keep up with the rapidly changing world we are all living in.

The needs of the people who connect with the charity’s services have remained at the heart of every decision made, and will continue to do so as the evolution of the organisation continues. The ethos of the charity will always remain the same – but to continue to meet the changing needs of our local communities, Caritas must continue to evolve.

Over the last twelve months, the team has significantly invested in improving systems and processes, working hard to ensure services remain fit for the future for everyone in our local communities.

Partnerships and working alongside people who come to our services to develop them, will also continue to be vital as we progress beyond the pandemic and into a new phase of our history.

With the deepening impact of the cost-of-living crisis, and the ongoing residual effects of the pandemic, we’re not complacent about the challenges that may be ahead, but we are passionate about the work we do and the part we all play in remaining resilient so we can continue improving the lives of people locally.

We couldn’t do what we do without the community that supports our work, right across the diocese, and we’re hugely grateful to everyone who has been part of that broader Caritas Salford community over the last year and beyond.

If you’d like to support Caritas Salford by making a donation, volunteering your time, or sharing information about the charity’s services locally, please visit www.caritassalford.org.uk or contact info@caritassalford.org.uk or 0161 817 2250.

CAFOD

CAFOD (Catholic Agency for Overseas Development). We are an international development charity, the official aid agency of the Catholic Church in England & Wales and part of Caritas International. At CAFOD, our mission is to work alongside the world's poorest people. We work without prejudice, we don't preach, and we pride ourselves on our diversity. We believe our Catholic values are best shown through our love for others, and by working for justice and an end to poverty. CAFOD's vision, mission and values draw directly from Catholic Social Teaching, Scripture, Liturgy, the Gospel and the tradition of the Church. Catholic Social Teaching is at the heart of what we do and who we are. We are part of a Church network with a local presence in 165 countries and territories. As one of the largest aid networks in the world, by mobilising the power of the Catholic community in England & Wales we can help people in remote areas, in war zones and who are discriminated against. The Church often reaches the poorest people, in areas where social care and government structures aren't so strong. To find out how you can make a difference, contact us in Salford Diocese:

Catholic Charismatic Renewal

0161 226 1730

What became known as Catholic Charismatic Renewal began nearly 50 years ago. Since that time, over a hundred million Catholics worldwide would highlight a renewed experience of their faith in the context of the CCR. At its core, the experience of all of these people would be that they recognised their own inability to lead a full and fired-up Christian life by their own efforts, and invited the Holy Spirit to do it on their behalf! At that moment, CCR would say they experienced the 'Baptism in the Holy Spirit'. This 'Baptism' is not a one-off moment. Like leaking buckets, we constantly need to be re-filled, and remain open to the water of the Spirit. This disposition can be described as living 'Life in the Spirit'.

Equestrian Order of the Holy Sepulchre of Jerusalem

01772 722056

The historic origins of the Order now remain obscured by time. However an ancient tradition can be identified of Knighthood being conferred at the Holy Sepulchre following the Crusades. Over time, tradition evolved, in which forms of papal patronage were extended to those who defended the Church in the Holy Land.

The modern Order was established in the nineteenth century by Blessed Pius IX, who mandated it to support the revived Latin Patriarchate of Jerusalem. Today, members of the Order, lay and clerical, live its mission by striving to realise their personal spiritual development and helping to sustain the Patriarchate and its peoples financially.

Legion of Mary

0161 225 0227

A world-wide apostolic organization for men and women, normally parish-based. The primary work of the Legion of Mary is that of the Church - to evangelize. Active members meet weekly to pray together, learn more about the faith and organise work visits in the parish under the direction of the parish priest, all in union with Our Lady. Coming together in this way helps members to discover and deepen the joy of the Gospel message. It builds a sense of community and inspires greater confidence and enthusiasm for living and sharing the Gospel message with others. In their work, members invite others to become active in parish life, gently encourage those who have lapsed to return to the practice of their faith, and invite those outside the Church to discover the treasures of the Catholic Faith. They also visit and support isolated members of the parish community.

Marist Way

01642 814486

The Marist Way is the lay branch of the Marist Congregation, bringing together people who wish to participate in the life and mission of the Church in the 'Spirit of Mary' a way envisaged by Jean-Claude Colin, founder of the Marists- Priests, Sisters, Brothers and Laity. Marists endeavor to think, feel, judge and act as Mary did, at Nazareth and at Pentecost all Marists believe that Mary maintains a special interest in bringing the woman and man of our time into contact with her Son, Jesus. They feel called to share in this concern of Mary's and to become part of her family to work on her behalf. The term 'The work of Mary' describes this essentially missionary spirit. Marists adopt a 'low profile' approach, always having a great respect for others. Being 'hidden and unknown' in the world is the Marist way - being personally unnoticed whilst doing great good for others.

Stella Maris (Apostleship of the Sea) is the official maritime agency of the Catholic Church in Great Britain. Stella Maris is a registered charity (No 1069833) reliant on the annual Sea Sunday appeal and donations to sustain its ministry. Ninety percent of world trade is carried by ship, however, seafarers and fishers often work in dangerous conditions suffering loneliness, deprivation and even exploitation. Stella Maris deploys chaplains and ship visitors who welcome merchant seafarers and fishers to our shores and provide for their pastoral and practical needs - regardless of creed or nationality. Catholic seafarers and fishers are also given the opportunity to receive the sacraments. In addition, Stella Maris provides chaplains on board cruise ships, works to maintain seafarers' centres inside ports, and collaborates with industry bodies to speak up for seafarers' and fishers' rights. Stella Maris relies on a network of valued contacts and volunteers to sustain its development. Young Christian Workers and Impact

0161 872 6017

The Young Christian Workers (YCW) is an international movement for young people, run by young people. It aims to train and form young people (13-30) to make sense of their faith in their everyday lives and responsibilities so that they can act more fully in their own unique daily mission towards a more just and Christian society. Impact is a programme developed by the YCW for younger members. It places strong emphasis on action led by young people themselves and personal development. It aims to help them explore the link between faith and life in a way which is fun, innovative and empowers them to action. The programme is ideal for post confirmation groups, school groups and general youth work

APPROVED CONTRACTOR

This is Dristy, 12, with her mother, Rupali, in southern Bangladesh. Dristy loves gardening and growing fruits and vegetables.

Rupali learnt eco-friendly farming skills with help from CAFOD's local experts, and Dristy learnt by watching her.

Dristy is now passing these techniques on to her friends, who have now begun gardens of their own.

"What kind of world do we want to leave to those who come after us, to children who are now growing up?"

Pope Francis, *Laudato Si* (#160)
