## Mark's 200 Miles Cycling Adventure

For most Sheffield teachers, the summer holidays are a time to relax ahead of the new term in September. Try telling that to Mark Conway.

The selfless St Wilfrid's Primary School: a Catholic Voluntary Academy teacher has just completed a gruelling charity bike ride to London which totalled around 200 miles.

Mark completed the challenge in just two days and cycled over 110 miles to Wellingborough on Saturday, 29 July before completing his journey the following day.

Mark, who is Head of RE at St Wilfrid's, raised over £1,000 for aid agency CAFOD and finished his journey at their head offices in Westminster.

CAFOD works in over forty countries, helping people to tackle poverty and injustice wherever the need is greatest.

Mark said, "CAFOD does a lot of good work and I wanted to raise some money in an exciting way.

"I stayed away from the M1 and got lost around Milton Keynes which added about 10 miles to my journey. This made the second day a bit of a killer and I was dreading it a bit, cycling around London can be quite hairy!

"It was great to have so many people cheering me on, including kids from my class and other members of staff at St Wilfrid's. I also got to meet a lot of people on the way who were very supportive.

"I won't be doing it again but I will definitely think of something else to do next year!"

Mark initially hoped to raise £200 but has gone well beyond his target, with donations reaching £1,145.

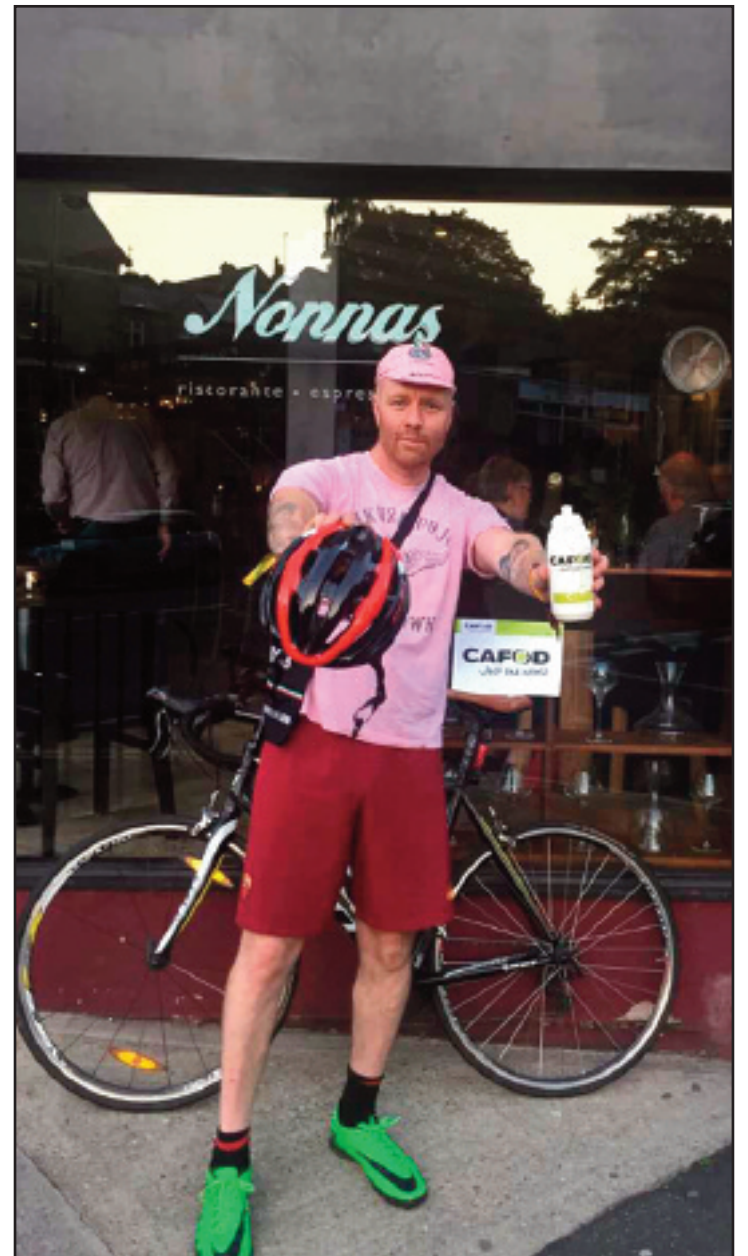

CAFOD's representative in Hallam, Jeremy Cain, said, "Thank you to Mark for taking on this remarkable challenge - we are very grateful for the time and effort he gave up.

"It sounds like a gruelling journey and it is testament to Mark that he was able to battle through.

"He quite literally went the extra mile for CAFOD and we are all very proud of his efforts."

To donate, visit Mark's JustGiving page at <https://www.justgiving.com/fundraising/Mark-Conway7>.

# Death of Cardinal Cormac Murphy-O'Connor

**On Friday, 1 September Cardinal Cormac Murphy-O'Connor died just a few days after his eighty fifth birthday.**

He was appointed Archbishop of Westminster in 2000 and was made a Cardinal by Pope John Paul II in 2001.

In 2009 he became the first Archbishop of Westminster to retire.

Cardinal Murphy-O'Connor was known for his ecumenical work. He was awarded the Lambeth degree of Doctor of Divinity by the Archbishop of Canterbury in recognition of this work.

He was the first leader of the Roman Catholic Church in England and Wales to visit Sandringham as a guest of the

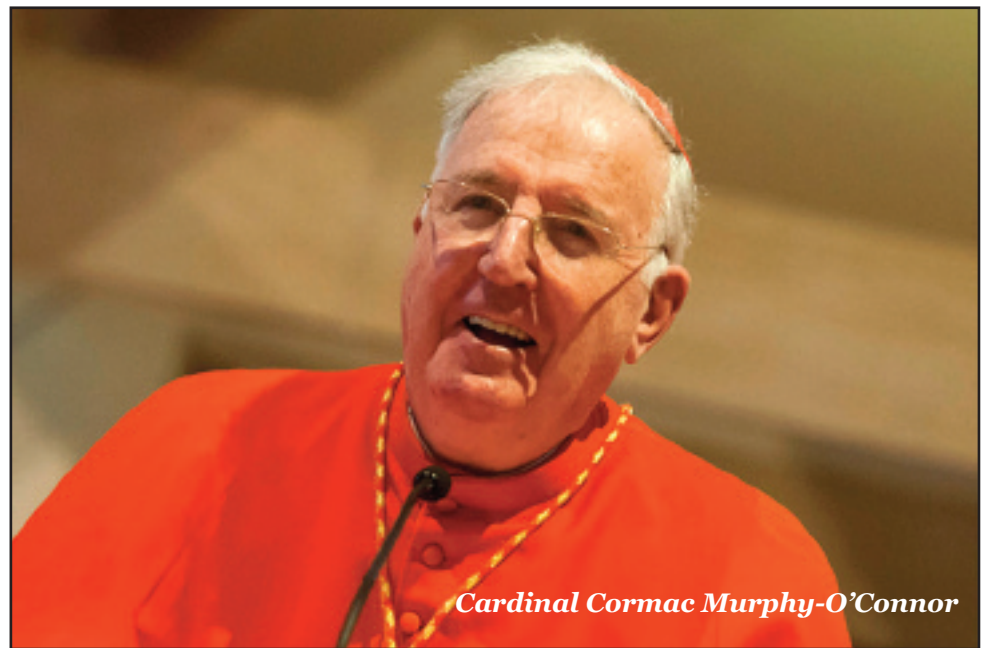

Queen and preached to the Royal Family at St Mary's church on the estate. He also read prayers at the Queen Mother's funeral and thus became the first Cardinal to be involved in a royal funeral since 1509.

On becoming Archbishop of Westminster, Cardinal Murphy-O'Connor established an independent committee led by Lord Nolan to carry out a review on child protection practices in the Catholic Church. The recommendations from the Nolan Report were carried out and provided a model of good practice beyond England and Wales.

May he rest in peace.

# PRISONERS' SUNDAY

Prisoners · Families · Communities  
A Fresh Start Together

It is a fact widely recognised by government, academics and charities who work in this area that keeping contact with their families can reduce the likelihood of prisoners re-offending by some 40%.

PACT was founded as the Catholic Prisoners' Aid Society by a group of lawyers with the aim of helping prisoners and their families, both in prison and on their release.

David, a user of PACT services, says, "My upbringing was very dysfunc-

## SACRED HEART PARISHIONER

### AWARDED INTERNATIONAL FELLOWSHIP

Councillor Ben Curran, a parishioner of Sacred Heart Parish in Hillsborough, Sheffield has been announced as one of the recipients of the prestigious Marshall Memorial Fellowship 2017-18, awarded by the German Marshall Fund of the United States.

The Marshall Memorial Fellowship is German Marshall Fund's flagship leadership development programme. It is awarded to exceptional leaders from all sectors, including business, government, and civil society. Selected fellows engage in six months of preparation designed to enhance their understanding of transatlantic relations, before embarking on twenty-four days of policy immersion across the Atlantic.

Councillor Curran was appointed Cabinet Member for Planning and Development in May after serving as Cabinet Member for Finance for nearly four years. He said, "As a big believer in lifelong learning, I am excited about the opportunity this fellowship brings. Sheffield, like many cities across the world, faces challenges around housing, climate change and the need to build a more inclusive local economy. This fellowship gives me the chance to witness firsthand how US cities are approaching these challenges, which will give me some great insights and ideas on how we can approach them here in Sheffield."

"I also believe that Sheffield becoming more globally engaged and competitive is key to securing our economic future. During the fellowship, I plan to lay the foundations for future collaboration to help Sheffield improve its global engagement and gain wider recognition in the international arena."

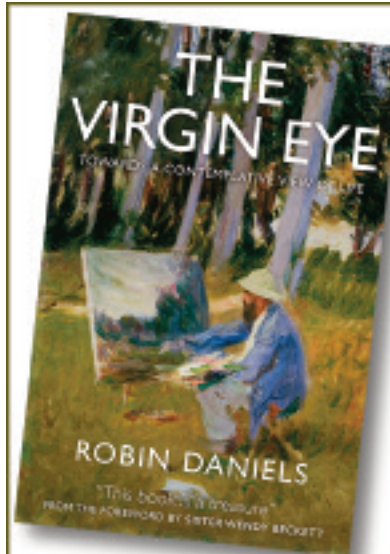

Kevin Cottrell, Director of Transatlantic Leadership Initiatives at the German Marshall Fund commented, "German Marshall Fund has a long history of preparing leaders

from the United States and Europe for transatlantic relations. Ben has demonstrated that he is amongst the best and brightest in UK local government and is ready to step up to a new level. We were impressed with his ambitions for global engagement, his commitment to inclusivity and his love for Sheffield."

Councillor Julie Dore, Leader of Sheffield City Council, said, "I am really pleased that Ben has been successful in applying to this prestigious fellowship and I was happy to support his application. This is a great opportunity for him to learn about cities in America and to bring forward new ideas and perspectives that can benefit Sheffield."

## THE VIRGIN EYE by Robin Daniels

**The Virgin Eye by Robin Daniels inspires us to see the world anew through the innocent eyes of a child, so as to become more aware of God's presence in everyday life and encounters.**

This book offers insights into contemplative prayer and mindfulness; making wise decisions; enjoying a creative relationship; slowing down; and managing change and stress. Daniels demonstrates how we can put St Paul's challenge request to 'pray without ceasing' into practice. He explores how we can turn suffering and trial into opportunity and growth, as we learn to see God, ourselves and other people with a pure heart and a pure eye

This year of 2017 marks the Centenary of Our Lady's appearances at Fatima.

In recognition of this milestone, the World Apostolate of Fatima in England and Wales organised a programme of visits to Cathedrals throughout England and Wales, by the National Pilgrim Virgin Statue of Our Lady of Fatima and the relics of Blessed Jacinta and Francisco, two of the children Our Lady appeared to.

In August the Diocesan Cathedral of St Marie's took part in this significant celebration.

The statue was blessed and crowned by Bishop Ralph in a special ceremony before the celebration of Mass.

Our photograph shows Benedicta Green, a member of the Cathedral's flower team, decorating the base of the statue prior to it being processed into a packed church.

# Deacon Geoff and Margaret Spark Celebrate their Golden Wedding Anniversary

Deacon Geoff Spark and his wife, Margaret, celebrated their Golden Wedding Anniversary in Tenerife on 12 August.

Before they left Maltby they were presented with a Papal Blessing, organised by Fr John Adikwu, parish priest of St Mary Magdalene, Maltby and Blessed Trinity, Wickersley. The presentation took place before their holiday to lull them into a false sense

of security that their friends would not try to embarrass them further.

However, while the cat was away, the mice played and held a collection for them as a token of love and appreciation of all they have done and continue to do for the parish. On 20 August, Mass was celebrated for their intentions by Fr Richard Gomersall and they were presented with a cheque.

## Diamond Wedding Anniversary

Congratulations to Brenda Patricia and Brian Gannon who celebrate their Diamond Wedding Anniversary on 5 October.

They have three sons, Peter, Andrew, Patrick Michael, and one daughter, Catherine, in New Zealand with four grandchildren. All the family send them love as well as their many friends.

They were married at St Patrick's on Saturday, 5 October, 1957, which was also Brenda's birthday. The celebrant was Fr B Collins.

Looking back over the years as they prepared for their anniversary, Brenda and Brian remembered the new St Patrick's church and attending the school, from 1936 onwards, where they were taught by the "brilliant" Sisters of Mercy.

# Memories of Summer at St Joseph's

As Autumn is now established and nights are getting longer and days are getting colder, we look back upon one of the bright days of Summer when the parish of St Joseph's, Wath-upon-Deane enjoyed a very successful Summer Fayre, with lots of hard work both on the stalls and behind the scenes. This hard work, together with the enthusiastic support of many people, enabled the parish to raise a magnificent £737.26. Well done to everyone involved.

# St Alban's Parish Outing to Cleethorpes

On 1 September parishioners from St Alban's Parish, Denaby Main, accompanied by their Parish Priest, Fr Desmond Edozie, enjoyed a day out at Cleethorpes. Their visit concluded with Mass at Corpus Christi Church celebrated by Fr Desmond.

Fr Desmond said, "We had a wonderful day out in Cleethorpes. The sun shone and we enjoyed our fish and chips. Our visit concluded with Mass at Corpus Christi Church. We are indebted to Fr Andrew, Sr

Ann Helen and parishioners who made us very welcome."

Cath, a parishioner, commented, "We all enjoyed our parish outing to Cleethorpes. We basked in glorious sunshine all day, and we were privileged to attend Mass before returning to Denaby Main. May there be many more days like this!"

Pictured below: Fr Desmond with parishioners in Corpus Christi Church, Cleethorpes.

## UCM Enrolment at St Catherine's Foundation

On the Feast of Corpus Christi nine new members at St Catherine's, Sheffield were enrolled into the Union of Catholic Mothers.

Mass was celebrated by Fr Albert Savaille, parish priest, followed by a get-together in the presbytery. Members of the congregation, Mrs Sheila Godley, the Union of Catholic Mothers Diocesan President and Mrs Angela Higginson, the Union of Catholic Mothers National Treasurer, all joined in congratulating the new members.

# Harvest ~ Thanksgiving

Colour in our pictures of Harvest

I Wonder ... ..

I wonder what your favourite food is and where it comes from?  
.....  
.....

I wonder what your favourite celebration meal is?  
.....  
.....

I wonder how God's family eats together?  
.....  
.....

Do you ever think about the food you eat, and where it comes from? Discuss with your family about all the people who may have been involved in getting the food you eat in front of you and where it comes from.

How good are you at remembering to say 'Thank you' for what you have eaten? Around about this time each year, we give thanks for the harvest that we have received. None of this would be possible without the generosity of God, and so it is important to remember to stop and say thank you for the food he provides for us, and to give thanks for all the people who prepare it and bring it to our table.

Can you write your own Thank You prayer for the food that you have eaten?  
Thank you for ...

## Welcome to the Children's Liturgy Section

Our activities this month are based on parables - which are stories - that Jesus told. A description of a parable is that it is an earthly story with a heavenly meaning.

Many of these parables that Jesus told involved food, and so fit in well with our Harvest theme. Jesus used his parables to help people understand more about God. They revealed the truth to those who wanted to hear God's message, but to those who didn't, the message was hidden.
